

**ADDENDUM NUMBER ONE
FOR CONTRACT FY2019-030**

DATE: August 7, 2018
TO: ALL BIDDERS OF RECORD
FROM: Lyn Majeski, Purchasing Manager
BID FOR: **UNION VALLEY DRAINAGE SYSTEM IMPROVEMENTS**

This addendum forms a part of and modifies the bidding specifications for the above item for the City of Oak Ridge, Tennessee.

ITEM 1 – Questions Received

1. Will the contractor be allowed to close the road to replace the 48” CMP across Union Valley Road?

As much of the repair/replacement as is possible should be done while maintaining one lane, however, at the point that a total closure is need that will be allowed. The road can be closed long enough to replace the pipe under it but not for the duration of the project. Contractor will provide traffic control.

2. Can the traffic that utilizes the Unnamed Asphalt Drive be detoured through the vacant adjacent parking lot?

Private Property cannot be used as a detour.
