RFP 2022-105
FIRE DEPARTMENT MEDICAL TRAINING
QUESTIONS & ANSWERS

1. Q. Is there a specific number of students per class requirement?
A. We don't have a specified number of students per class. It is dependent upon the price per student. It is stated in the RFP on page 6.B.5: "The City of Beaufort Fire Department reserves the right to limit the number of students and or enroll students in with other agencies based on needs of the City of Beaufort Fire Department."
2. Q. Do you want a price per student and a minimum number of students per class?
A. Yes.
3. Q. For the paramedic class should we quote price per student to insert into a class?
A. Yes.
4. Q. And then quote a price for paramedic class of eight students?
A. Yes, if you can provide quotes for both ways that would be best.
5. Q. And you want that (ref. to #3 & 4) for EMTs advanced EMT as well?
A. Yes.
6. Q. Do you have any minimum number of students per class?
A. No.
7. Q. When does the training need to be completed?
A. The paramedic training should begin in January to be completed by the end of the year. The multiple basic and advanced classes can be run throughout the year.
