

PUBLIC NOTICE
INVITATION FOR BIDS
ALLISON ROAD PEDESTRIAN CONNECTOR PROJECT
IFB NO. 2024-107/LPA FILE # P027276

The scope of work consists of construction of an 8' sidewalk along the north side of Allison Road, resurfacing of the existing roadway, installing a new drainage system along a portion of the project, site lighting, and landscaping as shown on the Construction Drawings. Allison Road will be milled and overlaid at the beginning and ending of the project where existing curb and gutter exists and overlaid throughout the rest of the project and driveway connections to private property. Furthermore, an underground boring system for electrical and telecommunication lines will be constructed along the entire length of the project and new service connections from Allison Road to private properties (Commercial and Residential) will be established throughout. The specific technique used to underground utilities will be made based on regulatory acceptability, cost efficiency and timeliness. The Contractor will be responsible for coordination with SCDOT, the City of Beaufort and the utility companies (Drainage, Water, Sewer, Gas, Electricity, Communications) for removal of all overhead lines and poles and underground utility relocation planning and construction.

Some or all the funding for the project is being provided by a SCDOT Local Public Agency (LPA) TAP Grant, therefore all LPA requirements will apply to the contract.

The RFP and additional documents may be accessed on the City's website under Quick Links – Bid Opportunities - www.cityofbeaufort.org or by contacting the Procurement Administrator at 843-525-7079.
