**CITY OF HANAHAN REQUEST FOR BID
ASBESTOS ABATEMENT – COH#-102918**

2.7.1 Termination for Convenience: In the event this solicitation/contract is terminated or cancelled for the convenience of the City, the City will negotiate reasonable termination costs, if any.

2.7.2 Non-Appropriations: Any contract entered into by the City shall be subject to cancellation without damages or further obligation when funds are not appropriated or otherwise made available to support continuation of performance in a subsequent fiscal period or appropriated year. Any final agreement accepted by the City MUST include the following language:

This contract is approved and funded contingent upon annual appropriations being established by City of Hanahan Council to provide funding necessary to meet the requirements of the contract. Such funding is approved on a fiscal year basis with the fiscal year commencing on July 1st and terminating on June 30th of the following year. In order for the contract to remain in effect, such appropriation must be approved on an annual basis throughout the term of the contract. In the event that an annual appropriation is not approved, City of Hanahan shall not be held responsible for any liabilities beyond the remaining annual term prior to the new budget year.

2.7.3 Termination for Cause: The City may terminate the contract at any time for the failure of the Contractor to perform any obligation under this solicitation/contract, or for any other good and sufficient cause. The City shall only pay Contractor for services rendered prior to the termination notice date, less any liquidation costs assessed for Contractor non-performance.

2.7.4 Mitigation of Termination Costs: In the event that the contract is terminated, Contractor will be liable for any costs in excess of contract pricing incurred by the City to complete the contract or provide for continuity of services. The City reserves the right to purchase any or all services and materials on the open market. The City will not entertain subsequent offers from the terminated Contractor until these liquidation costs are paid by Contractor.

Such costs may include, but are not limited to, the cost of using the City's employees or employees of any other entity to perform the obligations of the contract. The City may obtain any such reimbursement by deduction from payments otherwise due to Contractor or by any other proper and lawful means. All deductions from any money due Contractor are to be as liquidated damages and not as a penalty. It is the City's intent to give Contractor a reasonable opportunity, whenever practicable, to correct any such failure to perform or satisfactorily perform its responsibilities and duties. In no circumstances shall any uncorrected situation extend for more than five days. The City will make the following deductions from the contract sum in the event that the contractor fails to

**CITY OF HANAHAN REQUEST FOR BID
ASBESTOS ABATEMENT – COH#-102918**

perform any of the required work within the required time limits in the event the City carries out the work using its forces or another contractor.

- 2.7.4.1 For use of City’s forces – actual cost involved.
- 2.7.4.2 For use of another contractor – the amount charged by said contractor.

The City reserves the right to hold back and/or withhold part of complete payments for unsatisfactory work, deficiencies, etc. until said defects are satisfactorily corrected or cleared.

2.7.5 Excusable Delay: Contractor will not be liable for any excess costs if the failure to perform the contract arises out of causes beyond the control and without the fault or negligence of the contractor. Such causes may include but are not restricted to acts of God (force majeure) or of the public enemy, acts of the Government in either its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case the failure to perform must be beyond the control and without the fault or negligence of the contractor. If the failure to perform is caused by the fault of a subcontractor, and if such default arises out of control of causes beyond the control of both Contractor and subcontractor, and without the fault or negligence of either of them, Contractor will not be liable for any excess costs for failure to perform, unless the supplies or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required delivery schedule.

2.8 S.C. LAW CLAUSE: Upon award of a contract or Purchase Order under this Bid, the person, partnership, association, or corporation to whom the award is made must comply with the laws of South Carolina which require such person or entity to be authorized and/or licensed to do business in this state. Notwithstanding the fact that applicable statutes may exempt or exclude the successful Bidder from requirements that it be authorized and/or licensed to do business in this state, by submission of this signed Bid, the Bidder agrees to subject itself to the jurisdiction and process of the courts of the State of South Carolina and/or City of Hanahan, to all matters and disputes arising or to arise under the contract and performance thereof, including any questions as to the liability for taxes, licenses, or fees levied by the State.

2.9 BIDDER’S QUALIFICATIONS: Bidder must, upon request of the City, furnish satisfactory evidence of their ability to furnish products or services in accordance with the terms and conditions of this Bid. Whenever an article, material or equipment is specified by name, a substitute of equal qualifications may be used upon the written approval of the City.
- 2.16 RELATIONSHIP OF PARTIES: It is clearly understood that each party shall act in its individual capacity and not as an agent, employee, partner, joint venture, or associate of the other. An employee or agent of one party shall not be deemed or construed to be the employee or agent of the other party for any purpose whatsoever. Contractor is advised that taxes or social security payments shall not be withheld from a City payment issued hereunder and that Contractor should make arrangements to directly pay such expenses, if any.
- 2.17 RIGHTS AND REMEDIES: No provision in this document or in the Bidder's Bid shall be construed, expressly or by implication as a waiver by either party of any existing or future right and/or remedy available by law in the event of any claim or default or breach of contract. The failure of either party to insist upon the strict performance of any term or condition of the contract or to exercise or delay the exercise of any right or remedy provided in the contract, or by law, or the acceptance of materials or services, obligations imposed by this contract or by law, and shall not be deemed a waiver of any right of either party to insist upon the strict performance of the contract.
- 2.18 CLIENT LITIGATION: Contractor agrees to produce documents, witnesses and/or general assistance to any litigation, arbitration or mediation involving the City, if the City requests such documents, witnesses and/or general assistance.
