Mail Sealed Bid to the above address ATTN: Sealed Bid # 16-017

The Peach County Board of Commissioners is accepting bid to replace and non-operating access control system at the Peach County E911 Center. Three of the five doors were controlled by the previous system and have maglocks, motion detectors, and RTE equipment.

We prefer a web based control manager console, but not required.

The system should include a warranty for the first year. Your bid should include options for extended warranty and service.

A SITE VIST IS STRONGLY RECOMMENDED.

Scope of Work:

- Re-use the existing electronic door locks as much as possible.
- Provide and install electronic locks as needed.
- Provide and install door contacts, motion detectors, and exit buttons where needed.
- Provide and install card readers on five doors.
- Provide and install access control panel and connect it to the computer network.
- Provide and install access control software.
- Provide 100 key tags.
- Program the system.
