## **REQUEST FOR PROPOSAL**

### **VEHICLE MAINTENANCE CONTRACT**

*One year contract with option to renew for two (2) years.*

City of Hanahan, S.C.

**COH#-021517**

The City of Hanahan ("City") is seeking proposal(s) from qualified and experienced vehicle and equipment maintenance companies for fleet maintenance and repair services. The Contract would be a one year contract with option to renew for two (2) years.

**PLEASE NOTE:** Interviews will be conducted at the City of Hanahan with qualified offerer(s).

Please note that this would not be an exclusive maintenance contract. A list of existing city vehicles is attached herein as examples only. (Exhibit B). The number, make/model and composition may change without prior notice. The selection will be based on overall price, services, performance and reliability of the proposers.

The City operates a diverse fleet, including sedans, SUV, public works vehicles/trucks, patrol cars, as well as fire-fighting apparatus. This contract includes maintenance services for the entire city fleet of approximately 100 units (unleaded and diesel motors), as well as any added vehicles going forward.

#### **See attached Exhibits/Schedules:**

Exhibit A - *Scope of Work - Schedule A*

Exhibit B - *Fleet Information*

Performance standards will include turnaround time, fleet downtime computation minimums, availability of certain emergency vehicles, preventive maintenance compliance, and parts management performance.

- A. All proposals must be in a sealed envelope and clearly marked in the lower left-hand corner: "**Fleet Maintenance Services**". The name and address of the proposing business must be shown on the face of the envelope.

- B. All proposals must be received by 2 p.m. on Thursday, March 9, 2017 at which time they may be opened. **Three (3) copies** of the proposal must be enclosed in a sealed envelope. No facsimile, electronic or telephone proposals will be accepted. Questions may be emailed to: David Kornahrens - [dkornahrens@cityofhanahan.com](mailto:dkornahrens@cityofhanahan.com)

### SCOPE OF WORK

#### **GENERAL PROVISIONS**

The successful contractor must be able to perform general and preventative maintenance as well as common repair services on vehicles and equipment that include, but are not limited to, brakes, suspension, heat/air conditioning systems, electrical systems, engine, etc.

The City's preference is to have a primary Contractor that can perform all required services, if possible. However, work may be sub-contracted. When sub-contractors are used, the Contractor is primarily responsible for performance including but not limited to, billing, reporting, scheduling, delivery, work quality and warranty.

Billing is preferred monthly, but shall not be submitted earlier than bi-weekly

The Contractor must have the ability to provide required preventative maintenance and repair service listed in Section E (below) for the fleet listed on Exhibit B. Any exception including subcontracting must be noted in the response.

#### **A. Preventative Maintenance**

The City's Vehicles are routinely drive short/distances; frequent stop/start; and long idle periods. Schedule A will outline maintenance requirements due to the use conditions.

#### **B. Repairs and Maintenance**

Provide service/repairs to all common mechanical/electrical systems as needed. COH will stock supplies with added input from onsite mechanics. Supplies will be purchased from a vendor of the COH choosing and will be billed directly to COH.

#### **C. Transport of Vehicles for Service**

The has a full-service shop. It is mandatory that the qualified vendor work out of COH maintenance shop (when feasible).

**D. Conditions on Required Services**

- 24-hour turn-around on common repairs (including brakes, etc.) and routine maintenance

**E. Repair Order Content and Procedure**

Contractor shall provide repair orders for all services provided containing the following information:

- Date Work performed
- Vehicle/or license #, make, model
- Vehicle mileage at time of service/repair
- Date in/date out/time completed
- Detail type of service, hours, material used, and cost associated with each
- Subcontracted repair orders containing same information shall be attached to contractor repair order
- Contractor Warranty and subcontracted repair orders need to be provided by the Contractor. Contractor is prime contractor; however, subcontractors may be used by Contractor. Contractor assumes responsibility for work of subcontractors. The charges for such services to the City shall be the amount of the subcontractor's invoice for services performed, or the contract price, whichever is less.

**F. Hours of Operation**

The City has number of services that are active on a 24/7 basis and desires the most comprehensive hour coverage possible. Shop hours shall fall between 7am – 5pm.

**G. Technician shall:**

- a. come to site for repairs at City location;
- b. not charge mileage and/or travel time for service calls;
- c. be E-One certified (or obtain);
- d. be diesel certified;
- e. be Master ASE certified;
