

**City of Beaufort**  
**RFP 2020-105**  
**Manlift for Disaster Mitigation**  
**Questions and Answers Submitted by December 30, 2019**

1. **What type of manlift, scissor or telescopic boom?**

**Answer:** Telescopic boom for example Skyjack model SJ61T which is a telescopic boom lift.

2. **Would the City consider a used manlift or does it have to be new?**

**Answer:** Our preference is for a new manlift but would consider used in good condition with sufficient warranty coverage.
