## **POLICY CONCERNING MINORITY AND WOMAN OWNED BUSINESS ENTERPRISES**

### **Intent**

Businesses owned and operated by women and minority persons, in general, have been historically restricted from full participation in the nation's free enterprise system to a degree disproportionate to other businesses.

The City believes it is in the community's best interest to assist minority and woman owned businesses to develop fully, in furtherance of City's policies and programs which are designed to promote balanced economic and community growth.

The City, therefore, wishes to ensure that minority and woman owned businesses (M/WBEs) are afforded the opportunity to fully participate in the City's overall procurement process and will not be discriminated against on the grounds of race, color, sex, or national origin in consideration for an award.

### **Goal for Participation**

The City adopts the State of South Carolina's goal for participation of M/WBEs: ten percent (10%) of annual controllable procurement expenditures which are defined as agreements between the City and a Vendor to provide or procure labor, materials, equipment, supplies and services to, for or on behalf of the City. However, a specific expectation has not been set for this RFP.

### **Required Forms**

Contractors submitting proposals are required to include completed forms that are found at the end of the General Terms & Conditions. The City's General Terms & Conditions, a required component of all competitive procurement proposals, may be accessed on the City's website under Quick Links – Bid Opportunities – [www.cityofbeaufort.org](http://www.cityofbeaufort.org). All proposers are to certify that they have read the General Terms & Conditions and will adhere to them as a component of the contract documents.

Contractors should also be aware that, should a contract be awarded, the City will require reports of the utilization of any minority business enterprises to be filed along with requests for payment. The City reserves the right to audit accuracy of the utilization reports that are filed.

The City of Beaufort reserves the right to reject any or all bids; to waive any informality or irregularity not affected by law; to evaluate, in its absolute discretion, the bids submitted; to award the contract according to the bid which best serves the interests of the City; or to not award the contract if the City determines that it is not in its best interest to do so.

The Sunoco Gas Station located at 2260 Boundary Street in Beaufort SC is now vacant. This property has been acquired with the intention of demolishing the building (including the overhead awning) and converting the space to a passive park. This passive park is designed to provide those who visit the area with unobstructed views of the saltwater marsh. In accordance with the attached graphic, it is the intention of the City of Beaufort that the building, the associated overhead structure, all designated concrete and asphalt be removed and the area returned to a rough grade. All storm water drainage structures, the underground gas storage tanks and the concrete above the underground gas storage tanks will remain in place.
