FOR

UNIFORM WATERWAY MARKER SIGNS

Please provide itemized pricing on a total of eleven (11) 4' x 6' high intensity prismatic aluminum regulatory signs, that will be installed by others, throughout Okeechobee County's multiple waterways.

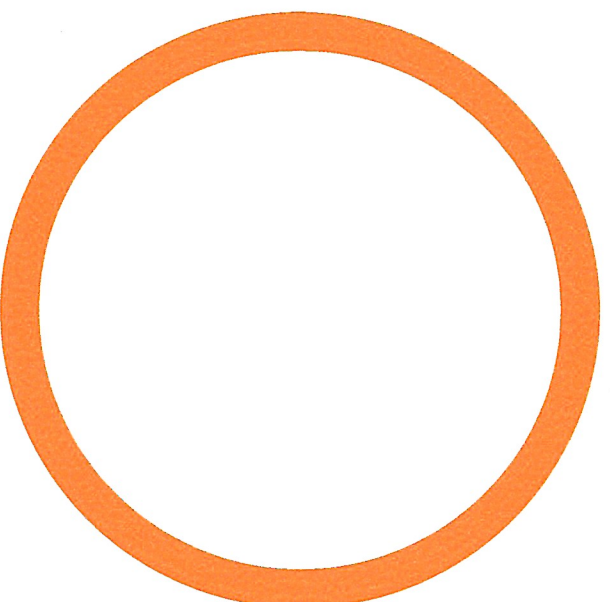

- Nine (9) signs will read "IDLE SPEED NO WAKE"
- Two (2) signs will read "RESUME NORMAL SAFE OPERATION"
- Each sign MUST have the FWC permit number and County Ordinance number as specified by the attached graphics approved by FWC.
- Vendor must supply a proof or draft of each sign for department approval.
- Signs must have four (4) pre-drilled holes for mounting
- All prices must include shipping.

In addition to the signs please provide pricing on 300 feet of 6" white reflective tape that will be installed (by others) below the regulatory signs.

Please contact Project Coordinator, Tiffany Gould at the above listed number or via email @ tgould@co.okeechobee.fl.us with any questions or concerns regarding this project.
