NOTICE FOR RESIDENTS OF UTAH

NOTICE TO POLICYHOLDER

Insurance companies licensed to sell life insurance, health insurance, or annuities in the State of Utah are required by law to be members of an organization called the Utah Life and Health Insurance Guaranty Association ("ULHIGA"). If an insurance company that is licensed to sell insurance in Utah becomes insolvent (bankrupt), and is unable to pay claims to its policyholders, the law requires ULHIGA to pay some of the insurance company's claims. The purpose of this notice is to briefly describe some of the benefits and limitations provided to Utah insureds by ULHIGA.

PEOPLE ENTITLED TO COVERAGE

- You must be a Utah resident.
- You must have insurance coverage under an individual or group policy.

POLICIES COVERED

- ULHIGA provides coverage for certain life, health and annuity insurance policies.

EXCLUSIONS AND LIMITATIONS

Several kinds of insurance policies are specifically excluded from coverage. There are also a number of limitations to coverage. The following are not covered by ULHIGA:

- Coverage through an HMO.
- Coverage by insurance companies not licensed in Utah.
- Self-funded and self-insured coverage provided by an employer that is only administered by an insurance company.
- Policies protected by another state's Guaranty Association.
- Policies where the insurance company does not guarantee the benefits.
- Policies where the policyholder bears the risk under the policy.
- Re-insurance contracts.
- Annuity policies that are not issued to and owned by an individual, unless the annuity policy is issued to a pension benefit plan that is covered.
- Policies issued to pension benefit plans protected by the Federal Pension Benefit Guaranty Corporation.
- Policies issued to entities that are not members of the ULHIGA, including health plans, fraternal benefit societies, state pooling plans and mutual assessment companies.

NOTICE FOR RESIDENTS OF UTAH

LIMITS ON AMOUNT OF COVERAGE

Caps are placed on the amount ULHIGA will pay. These caps apply even if you are insured by more than one policy issued by the insolvent company. The maximum ULHIGA will pay is the amount of your coverage or \$500,000 — whichever is lower. Other caps also apply:

- \$100,000 in net cash surrender values.
- \$500,000 in life insurance death benefits (including cash surrender values).
- \$500,000 in health insurance benefits.
- \$200,000 in annuity benefits — if the annuity is issued to and owned by an individual or the annuity is issued to a pension plan covering government employees.
- \$5,000,000 in annuity benefits to the contract holder of annuities issued to pension plans covered by the law. (Other limitations apply).
- Interest rates on some policies may be adjusted downward.

DISCLAIMER

PLEASE READ CAREFULLY:

COVERAGE FROM ULHIGA MAY BE UNAVAILABLE UNDER THIS POLICY. OR, IF AVAILABLE, IT MAY BE SUBJECT TO SUBSTANTIAL LIMITATIONS OR EXCLUSIONS. THE DESCRIPTION OF COVERAGES CONTAINED IN THIS DOCUMENT IS AN OVERVIEW. IT IS NOT A COMPLETE DESCRIPTION. YOU CANNOT RELY ON THIS DOCUMENT AS A DESCRIPTION OF COVERAGE. FOR A COMPLETE DESCRIPTION OF COVERAGE, CONSULT THE UTAH CODE, TITLE 31A, CHAPTER 28.

CIVIL UNION NOTICE FOR RESIDENTS OF VERMONT

The following applies to all ERISA governed groups:

Vermont law provides that the following definitions apply to your certificate:

- Terms that mean or refer to a marital relationship, or that may be construed to mean or refer to a marital relationship, such as "marriage," "spouse," "husband," "wife," "dependent," "next of kin," "relative," "beneficiary," "survivor," "immediate family" and any other such terms include the relationship created by a Civil Union established according to Vermont law.
- Terms that mean or refer to the inception or dissolution of a marriage, such as "date of marriage," "divorce decree," "termination of marriage" and any other such terms include the inception or dissolution of a Civil Union established according to Vermont law.
- Terms that mean or refer to family relationships arising from a marriage, such as "family," "immediate family," "dependent," "children," "next of kin," "relative," "beneficiary," "survivor" and any other such terms include family relationships created by a Civil Union established according to Vermont law.
- "Dependent" includes a spouse, a party to a Civil Union established according to Vermont law, and a child or children (natural, step-child, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a Civil Union established according to Vermont law.
- "Child" includes a child (natural, stepchild, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a Civil Union established according to Vermont law.
- "Civil Union" means a civil union established pursuant to Act 91 of the 2000 Vermont Legislative Session, entitled "Act Relating to Civil Unions".

All references in this notice to Civil Unions are limited to Civil Unions in which the parties are residents of Vermont.

If dependent insurance for a spouse and/or child is not provided under your certificate, such insurance is not added by virtue of this notice.

For purposes of dependent insurance, any person who meets the definition of "dependent" as set forth in this notice is required to meet all other applicable requirements in order to qualify for such insurance.

This notice does not limit any definitions or terms included in your certificate. It broadens definitions and terms only to the extent required by Vermont law.

DISCLOSURE:

Vermont law grants parties to a Civil Union the same benefits, protections and responsibilities that flow from marriage under state law. However, some or all of the benefits, protections and responsibilities related to life and health insurance that are available to married persons under federal law may not be available to parties to a Civil Union. For example, a federal law, the Employee Retirement Income Security Act of 1974 known as "ERISA", controls the employer/employee relationship with regard to determining eligibility for enrollment in private employer benefit plans. Because of ERISA, Act 91 does not state requirements pertaining to a private employer's enrollment of a party to a Civil Union in an ERISA employee benefit plan. However, governmental employers (not federal government) are required to provide life and health benefits to the dependents of a party to a Civil Union if the public employer provides such benefits to dependents of married persons. Federal law also controls group health insurance continuation rights under "COBRA" for employers with 20 or more employees as well as the Internal Revenue Code treatment of insurance premiums. As a result, parties to a Civil Union and their families may or may not have access to certain benefits under this notice and the certificate to which it is attached that derive from federal law. You are advised to seek expert advice to determine your rights under this notice and the certificate to which it is attached.

LIFE INSURANCE: ACCELERATED BENEFIT OPTION (ABO) FOR YOU

For purposes of this section, the term “ABO Eligible Life Insurance” refers to each of Your Life Insurance benefits for which the Accelerated Benefit Option is shown as available in the Schedule of Benefits.

If You become Terminally Ill, You or Your legal representative have the option to request Us to pay ABO Eligible Life Insurance before Your death. This is called an accelerated benefit. The request must be made while ABO Eligible Life Insurance is in effect.

Terminally Ill or **Terminal Illness** means that due to injury or sickness, You are expected to die within 12 months.

Requirements For Payment of an Accelerated Benefit

Subject to the conditions and requirements of this section, We will pay an accelerated benefit to You or Your legal representative if:

- the amount of each ABO Eligible Life Insurance benefit to be accelerated equals or exceeds \$20,000; and
- the ABO Eligible Life Insurance to be accelerated has not been assigned; and
- We have received Proof that You are Terminally Ill.

We will only pay an accelerated benefit for each ABO Eligible Life Insurance benefit once.

- a signed Physician’s certification that You are Terminally Ill; and
- an examination by a Physician of Our choice, at Our expense, if We request it.

You or Your legal representative should contact the Employer to obtain a claim form and information regarding the accelerated benefit.

Maximum accelerated benefit amount. The maximum amount We will pay for each ABO Eligible Life Insurance benefit is shown in the SCHEDULE OF BENEFITS.

Scheduled reduction of an ABO Eligible Life Insurance Benefit. If an ABO Eligible Life Insurance benefit is scheduled to reduce within the 12 month period after the date You or Your legal representative request an accelerated benefit, We will calculate the accelerated benefit using the amount of such ABO Eligible Life Insurance that will be in effect immediately after the reduction(s) scheduled for such period.

Scheduled end of ABO Eligible Life Insurance Benefit. If an ABO Eligible Life Insurance benefit is scheduled to end within 12 months after the date You or Your legal representative request an accelerated benefit, We will not pay an accelerated benefit for such ABO Eligible Life Insurance benefit.

We will pay the accelerated benefit in one sum unless You or Your legal representative select another payment mode.

LIFE INSURANCE: ACCELERATED BENEFIT OPTION (ABO) FOR YOU

Effect of Payment of an Accelerated Benefit

On premium for Your Life Insurance. After We pay the accelerated benefit, any premium You are required to pay will be based upon the amount of Your Life Insurance remaining after the accelerated benefit is paid.

On Your Life Insurance at Your death. The amount of Life Insurance that We will pay at Your death will be decreased by:

- the amount of the accelerated benefit paid by Us.

On Your Life Insurance at conversion. The amount to which You are entitled to convert under the section entitled LIFE INSURANCE: CONVERSION OPTION FOR YOU, will be decreased by:

- the amount of the accelerated benefit paid by Us.

The accelerated benefit option will end on the earliest of:

- the date ABO Eligible Life Insurance ends;
- the date You or Your legal representative assign all ABO Eligible Life Insurance; or
- the date You or Your legal representative have accelerated all ABO Eligible Life Insurance benefits.

LIFE INSURANCE: CONVERSION OPTION FOR YOU

If Your Life Insurance ends for any of the reasons stated below, You have the option to buy an individual policy of life insurance (“new policy”) from Us during the Application Period in accordance with the conditions and requirements of this section. This is referred to as the “option to convert”. Evidence of Your insurability will not be required.

When You Will Have the Option to Convert

You will have the option to convert when:

- Your Life Insurance ends because:
 - You cease to be in an eligible class; or
 - Your employment ends; or
 - the Group Policy ends provided You have been insured for Life Insurance for at least 5 years; or
 - the Group Policy is amended to end Life Insurance for an eligible class of which You are a member, provided You have been insured for Life Insurance for at least 5 years.

A reduction in the amount of Your Life Insurance as a result of the payment of an accelerated benefit will not give rise to a right to convert under this section.

Application Period

If You opt to convert Your Life Insurance for any of the reasons stated above, We must receive a completed conversion application form from You within the Application Period described below.

If You are given Written notice of the option to convert within 15 days before or after the date Your Life Insurance ends, the Application Period begins on the date that such Life Insurance ends and expires 31 days after such date.

If You are given Written notice of the option to convert more than 15 days after the date Your Life Insurance ends, the Application Period begins on the date such Life Insurance ends and expires 15 days from the date of such notice. In no event will the Application Period exceed 91 days from the date Your Life Insurance ends.

Option Conditions

The option to convert is subject to these conditions:

1. Our receipt within the Application Period of:
 - Your Written application for the new policy; and
 - the premium due for such new policy;
2. The premium rates for the new policy will be based on:
 - Our rates then in use;
 - the form and amount of insurance;
 - Your class of risk; and
 - Your attained age when Your Life Insurance ends;
3. the new policy may be on any form then customarily offered by Us excluding term insurance;
4. the new policy will be issued without an accidental death and dismemberment benefit, a continuation benefit, an accelerated benefit option, a waiver of premium benefit or any other rider or additional benefit; and
5. the new policy will take effect on the 32nd day after the date Your Life Insurance ends; this will be the case regardless of the duration of the Application Period.

LIFE INSURANCE: CONVERSION OPTION FOR YOU

Maximum Amount of the New Policy

If Your Life Insurance ends due to the end of the Group Policy or the amendment of the Group Policy to end Life Insurance for an eligible class of which You are a member, the maximum amount of insurance that You may elect for the new policy is the lesser of:

- the amount of Your Life Insurance that ends under the Group Policy less the amount of life insurance for which You become eligible under any group policy within 31 days after the date insurance ends under the Group Policy; or
- \$2,000

If Your Life Insurance ends for any other reason, the maximum amount of insurance that You may elect for the new policy is the amount of Your Life Insurance that ends under the Group Policy.

If You Die Within 31 Days After Your Life Insurance Ends

If You die within 31 days after Your Life Insurance ends, Proof of Your death must be sent to Us. When We receive such Proof with the claim, We will review the claim and if We approve it will pay the Beneficiary the amount of Life Insurance You were entitled to convert.

Effect of Previous Conversion

If You obtained a new policy through this conversion option and Your Life Insurance is later continued under the section entitled LIFE INSURANCE: ELIGIBILITY FOR CONTINUATION IF LIFE INSURANCE ENDS WHILE YOU ARE TOTALLY DISABLED, We will only pay Your Life Insurance under such section if the new policy is returned to Us. If the new policy is returned to us, We will refund to Your estate the premium paid for such policy without interest, less any debt incurred under such policy. If the new policy is not returned to Us, We will only pay the life insurance in effect under such new policy.

We will not pay insurance under both the Group Policy and the new policy.

LIFE INSURANCE: ELIGIBILITY FOR CONTINUATION IF LIFE INSURANCE ENDS WHILE YOU ARE TOTALLY DISABLED

For All Active Full Time Employees:

If Your Life Insurance ends while You are Totally Disabled, You may at a later date become eligible to continue certain Life Insurance under this section during the period You are Totally Disabled. Premium payment will not be required. We will determine Your eligibility for this continuation after We receive Proof that You have satisfied the conditions and requirements of this section.

For the purpose of this section, the Life Insurance that You may become eligible to continue (“Continuation Eligible Life Insurance”) refers to Your:

- Life Insurance;

to the extent that such insurance was in effect for You on the date Your Continuation Eligible Life Insurance ended.

Continuation Eligible Life Insurance does not include Life Insurance amounts accelerated under the section entitled LIFE INSURANCE: ACCELERATED BENEFIT OPTION FOR YOU.

Total Disability must begin before You attain age 60 and while You are insured for Continuation Eligible Life Insurance.

Total Disability or **Totally Disabled** means, for purposes of this section, that due to an injury or sickness:

- You are unable to perform the material duties of Your regular job; and
- You are unable to perform any other job for which You are fit by education, training or experience.

TOTAL DISABILITY AND PROOF REQUIREMENTS

You will become eligible for this continuation if Your Total Disability continues without interruption from the date You become Totally Disabled through the end of the Continuation Waiting Period.

Continuation Waiting Period means the period which begins on the date You become Totally Disabled and which expires 6 consecutive months after such date.

Please refer to the Important Notice that appears at the end of this section for information on insurance during the Continuation Waiting Period.

If You were disabled when Your insurance ended, You should contact Us as soon as reasonably possible to advise Us that You were disabled on the date such insurance ended. After the Continuation Waiting Period expires, You must send Us Proof that You were Totally Disabled when Your Continuation Eligible Life Insurance ended and that such Total Disability has continued without interruption through the expiration of the Continuation Waiting Period. You must do this within 3 months following the expiration of the Continuation Waiting Period.

As part of such Proof, We may choose a Physician to examine You to verify that You are eligible for this continuation. If We do so, We will pay for such exam. After We receive and review Your Proof, We will determine if You are approved for this continuation. We will send You Written notice advising whether You are approved.

To verify that You continue to be Totally Disabled without interruption after Our initial approval, We may periodically request that You send Us Proof that You continue to be Totally Disabled. We will not ask for such Proof more than once each year.

LIFE INSURANCE: ELIGIBILITY FOR CONTINUATION IF LIFE INSURANCE ENDS WHILE YOU ARE TOTALLY DISABLED

DATE CONTINUATION ENDS

The Continuation Eligible Life Insurance continued under this section may be reduced on account of Your age or as otherwise described in this certificate and will end at the earliest of:

1. the date You die;
2. the date Your Total Disability ends;
3. the date You do not give Us Proof of Totally Disability, as required;
4. the date You refuse to be examined by Our Physician, as required; or
5. the date You attain age 65.

OPTION TO CONVERT YOUR CONTINUATION ELIGIBLE LIFE INSURANCE

When a continuation under this section ends, You may buy an individual policy of life insurance from Us. The details of this option are described in the section entitled LIFE INSURANCE: CONVERSION OPTION FOR YOU. For the purpose of that section, the end of this continuation will be considered the end of Your employment. You may not use the conversion option described in such section if:

- before the end of the Application Period for conversion You return to Active Work in an eligible class and become insured under the Group Policy; or
- You have already converted all of Your Continuation Eligible Life Insurance under such section.

IF YOU DIE DURING CONTINUATION

If You die while Your Continuation Eligible Life Insurance is being continued under this section, Proof of Your death must be sent to Us within one year of Your death. Proof includes supporting documentation that Total Disability continued with no interruption from the date Your Life Insurance ended until the date of Your death.

When We receive such Proof with the claim, We will review the claim and if We approve it, will pay the Beneficiary the Continuation Eligible Life Insurance continued under this section.

Effect of Previous Conversion

If You converted Your Continuation Eligible Life Insurance to an individual policy, We will only pay the Continuation Eligible Life Insurance under this section if such individual policy is returned to Us. If it is returned to Us, We will refund to Your estate the premiums paid for such policy without interest, less any debt incurred under such policy.

If You do not return such individual policy to Us, We will pay the life insurance in effect under the individual policy.

We will not pay insurance under both the Group Policy and the individual policy.

IMPORTANT NOTICE

On the date Your insurance ends, We will not know whether You will be able to satisfy the Total Disability and Proof Requirements specified above. For this reason, We urge You to consider taking the following steps:

Step 1. When Your Continuation Eligible Life Insurance ends, ask the Employer if such insurance will be continued with premium payment. If the answer is yes, ask if such continuation will be for at least 12 months. If the answer is yes, file a claim for continuation of insurance under this section at the end of the Continuation Waiting Period.

If the Employer will not continue Your Continuation Eligible Life Insurance as described in Step 1, proceed to Step 2.

LIFE INSURANCE: ELIGIBILITY FOR CONTINUATION IF LIFE INSURANCE ENDS WHILE YOU ARE TOTALLY DISABLED

Step 2. Read the section entitled LIFE INSURANCE: CONVERSION OPTION FOR YOU. You have the option to convert Your Continuation Eligible Life Insurance to an individual policy of insurance with premium payment.

If the Employer will not continue Your Continuation Eligible Life Insurance as described in Step 1 and You do not convert to an individual policy as described in Step 2:

- You will not be insured should You die during the Continuation Waiting Period; and
- You may not be eligible to convert Your Continuation Eligible Life Insurance at the end of the Continuation Waiting Period if We do not approve You for the continuation under this section.

The Employer should have a supply of claim forms. Obtain a claim form from the Employer and fill it out carefully. Return the completed claim form with the required Proof to the Employer. The Employer will certify Your insurance under the Group Policy and send the certified claim form and Proof to Us.

When we receive the claim form and Proof We will review the claim and, if We approve it, We will pay benefits subject to the terms and provisions of this certificate and the Group Policy.

CLAIMS FOR LIFE INSURANCE BENEFITS

When a claimant files a claim for Life Insurance benefits, Proof should be sent to Us as soon as is reasonably possible after the death of an insured.

CLAIMS FOR INSURANCE BENEFITS

When a claimant files a claim for insurance benefits described in this certificate, both the notice of claim and the required Proof should be sent to us within 90 days of the date of a loss.

Notice of claim and Proof may also be given to Us by following the steps set forth below:

Step 1

A claimant may give Us notice by calling Us at the toll free number shown in the Certificate Face Page within 20 days of the date of a loss.

Step 2

We will send a claim form to the claimant and explain how to complete it. The claimant should receive the claim form within 15 days of giving Us notice of claim.

Step 3

When the claimant receives the claim form, the claimant should fill it out as instructed and return it with the required Proof described in the claim form. If the claimant does not receive a claim form within 15 days after giving Us notice of claim, Proof may be sent using any form sufficient to provide Us with the required Proof.

Step 4

The claimant must give Us Proof not later than 90 days after the date of the loss.

If notice of claim or Proof is not given within the time limits described in this section, the delay will not cause a claim to be denied or reduced if such notice and Proof are given as soon as is reasonably possible.

Time Limit on Legal Actions. A legal action on a claim may only be brought against Us during a certain period. This period begins 60 days after the date Proof is filed and ends 5 years after the date such Proof is required.

GENERAL PROVISIONS

Assignment

You may assign Your Life Insurance rights and benefits under the Group Policy as a gift or as a viatical assignment. You may also assign Your Accidental Death and Dismemberment Insurance rights and benefits under the Group Policy as a gift.

We will recognize the assignee(s) under such assignment as owner(s) of Your right, title and interest in the Group Policy if:

1. a Written form satisfactory to Us, affirming this assignment, has been completed;
2. the Written form has been Signed by You and the assignee(s);
3. the Employer acknowledges that the Life Insurance and Accidental Death and Dismemberment Insurance being assigned is in force on the life of the assignor; and
4. the Written form is delivered to Us for recording.

Viatical assignments may only be made after Your Life Insurance has been in effect under this certificate for 2 years. However, you may make a viatical assignment before the end of the 2 year period if you are Terminally Ill.

Terminally Ill means that You are expected to die within 6 months. As Proof of Your Terminal Illness You or Your legal representative must send Us a signed Physician's certification that You are Terminally Ill. We may also request an exam by a Physician of Our choice, at Our expense.

Beneficiary

You may designate a Beneficiary in Your application or enrollment form. You may change Your Beneficiary at any time. To do so, You must send a Signed and dated, Written request to the Employer using a form satisfactory to Us. Your Written request to change the Beneficiary must be sent to the Employer within 30 days of the date You Sign such request.

You do not need the Beneficiary's consent to make a change. When We receive the change, it will take effect as of the date You Signed it. The change will not apply to any payment made in good faith by Us before the change request was recorded.

If two or more Beneficiaries are designated and their shares are not specified, they will share the insurance equally.

If there is no Beneficiary designated or no surviving designated Beneficiary at Your death, We may determine the Beneficiary to be one or more of the following who survive You:

1. Your Spouse;
2. Your Child(ren);
3. Your parent(s); or
4. Your siblings(s)

Instead of making payment to any of the above, we may pay Your estate. Any payment made in good faith will discharge our liability to the extent of such payment.

If a Beneficiary or payee is a minor or incompetent to receive payment, We will pay that person's guardian.

Entire Contract

Your insurance is provided under a contract of group insurance with the Employer. The entire contract with the Employer is made up of the following:

1. the Group Policy and its Exhibits, which include the certificate(s);
2. the Employer's application; and
3. any amendments and/or endorsements to the Group Policy.

GENERAL PROVISIONS (CONTINUED)

Incontestability: Statements Made by You

Any statement made by You will be considered a representation and not a warranty. We will not use such statement to avoid insurance, reduce benefits or defend a claim unless the following requirements are met:

1. the statement is in a Written application or enrollment form;
2. You have Signed the application or enrollment form; and
3. a copy of the application or enrollment form has been given to You or Your Beneficiary.

We will not use Your statements which relate to insurability to contest life insurance after it has been in force for 2 years during Your life, unless the statement is fraudulent. In addition, We will not use such statements to contest an increase or benefit addition to such insurance after the increase or benefit has been in force for 2 years during Your life, unless the statement is fraudulent.

Misstatement of Age

If Your age is misstated, the correct age will be used to determine if insurance is in effect and, as appropriate, We will adjust the benefits and/or premiums.

Conformity with Law

If the terms and provisions of this certificate do not conform to any applicable law, this certificate shall be interpreted to so conform.

Physical Exams

If a claim is submitted for insurance benefits, We have the right to ask the insured to be examined by a Physician(s) of Our choice as often as is reasonably necessary to process the claim. We will pay the cost of such exam.

Autopsy

We have the right to make a reasonable request for an autopsy where permitted by law. Any such request will set forth the reasons We are requesting the autopsy.

NOTICE FOR RESIDENTS OF UTAH

NOTICE TO POLICYHOLDER

Insurance companies licensed to sell life insurance, health insurance, or annuities in the State of Utah are required by law to be members of an organization called the Utah Life and Health Insurance Guaranty Association ("ULHIGA"). If an insurance company that is licensed to sell insurance in Utah becomes insolvent (bankrupt), and is unable to pay claims to its policyholders, the law requires ULHIGA to pay some of the insurance company's claims. The purpose of this notice is to briefly describe some of the benefits and limitations provided to Utah insureds by ULHIGA.

PEOPLE ENTITLED TO COVERAGE

- You must be a Utah resident.
- You must have insurance coverage under an individual or group policy.

POLICIES COVERED

- ULHIGA provides coverage for certain life, health and annuity insurance policies.

EXCLUSIONS AND LIMITATIONS

Several kinds of insurance policies are specifically excluded from coverage. There are also a number of limitations to coverage. The following are not covered by ULHIGA:

- Coverage through an HMO.
- Coverage by insurance companies not licensed in Utah.
- Self-funded and self-insured coverage provided by an employer that is only administered by an insurance company.
- Policies protected by another state's Guaranty Association.
- Policies where the insurance company does not guarantee the benefits.
- Policies where the policyholder bears the risk under the policy.
- Re-insurance contracts.
- Annuity policies that are not issued to and owned by an individual, unless the annuity policy is issued to a pension benefit plan that is covered.
- Policies issued to pension benefit plans protected by the Federal Pension Benefit Guaranty Corporation.
- Policies issued to entities that are not members of the ULHIGA, including health plans, fraternal benefit societies, state pooling plans and mutual assessment companies.

NOTICE FOR RESIDENTS OF UTAH

LIMITS ON AMOUNT OF COVERAGE

Caps are placed on the amount ULHIGA will pay. These caps apply even if you are insured by more than one policy issued by the insolvent company. The maximum ULHIGA will pay is the amount of your coverage or \$500,000 — whichever is lower. Other caps also apply:

- \$100,000 in net cash surrender values.
- \$500,000 in life insurance death benefits (including cash surrender values).
- \$500,000 in health insurance benefits.
- \$200,000 in annuity benefits — if the annuity is issued to and owned by an individual or the annuity is issued to a pension plan covering government employees.
- \$5,000,000 in annuity benefits to the contract holder of annuities issued to pension plans covered by the law. (Other limitations apply).
- Interest rates on some policies may be adjusted downward.

DISCLAIMER

FOR A COMPLETE DESCRIPTION OF COVERAGE, CONSULT THE UTAH CODE, TITLE 31A, CHAPTER 28.

CIVIL UNION NOTICE FOR RESIDENTS OF VERMONT

The following applies to all ERISA governed groups:

Vermont law provides that the following definitions apply to your certificate:

- Terms that mean or refer to a marital relationship, or that may be construed to mean or refer to a marital relationship, such as "marriage," "spouse," "husband," "wife," "dependent," "next of kin," "relative," "beneficiary," "survivor," "immediate family" and any other such terms include the relationship created by a Civil Union established according to Vermont law.
- Terms that mean or refer to the inception or dissolution of a marriage, such as "date of marriage," "divorce decree," "termination of marriage" and any other such terms include the inception or dissolution of a Civil Union established according to Vermont law.
- Terms that mean or refer to family relationships arising from a marriage, such as "family," "immediate family," "dependent," "children," "next of kin," "relative," "beneficiary," "survivor" and any other such terms include family relationships created by a Civil Union established according to Vermont law.
- "Dependent" includes a spouse, a party to a Civil Union established according to Vermont law, and a child or children (natural, step-child, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a Civil Union established according to Vermont law.
- "Child" includes a child (natural, stepchild, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a Civil Union established according to Vermont law.
- "Civil Union" means a civil union established pursuant to Act 91 of the 2000 Vermont Legislative Session, entitled "Act Relating to Civil Unions".

All references in this notice to Civil Unions are limited to Civil Unions in which the parties are residents of Vermont.

If dependent insurance for a spouse and/or child is not provided under your certificate, such insurance is not added by virtue of this notice.

For purposes of dependent insurance, any person who meets the definition of "dependent" as set forth in this notice is required to meet all other applicable requirements in order to qualify for such insurance.

This notice does not limit any definitions or terms included in your certificate. It broadens definitions and terms only to the extent required by Vermont law.

DISCLOSURE:

Vermont law grants parties to a Civil Union the same benefits, protections and responsibilities that flow from marriage under state law. However, some or all of the benefits, protections and responsibilities related to life and health insurance that are available to married persons under federal law may not be available to parties to a Civil Union. For example, a federal law, the Employee Retirement Income Security Act of 1974 known as "ERISA", controls the employer/employee relationship with regard to determining eligibility for enrollment in private employer benefit plans. Because of ERISA, Act 91 does not state requirements pertaining to a private employer's enrollment of a party to a Civil Union in an ERISA employee benefit plan. However, governmental employers (not federal government) are required to provide life and health benefits to the dependents of a party to a Civil Union if the public employer provides such benefits to dependents of married persons. Federal law also controls group health insurance continuation rights under "COBRA" for employers with 20 or more employees as well as the Internal Revenue Code treatment of insurance premiums. As a result, parties to a Civil Union and their families may or may not have access to certain benefits under this notice and the certificate to which it is attached that derive from federal law. You are advised to seek expert advice to determine your rights under this notice and the certificate to which it is attached.

Application Period

If You opt to convert Your Life Insurance for any of the reasons stated above, We must receive a completed conversion application form from You within the Application Period described below.

If You are given Written notice of the option to convert within 15 days before or after the date Your Life Insurance ends, the Application Period begins on the date that such Life Insurance ends and expires 31 days after such date.

A Dependent will have the option to convert when Life Insurance ends because such Dependent ceases to qualify as a Dependent as defined in this certificate.

You must notify the Employer in the event that a Dependent ceases to qualify as a Dependent as defined in this certificate.

- \$2,000

If Life Insurance for a Dependent ends for any other reason, the maximum amount of insurance that may be elected for the new policy is the amount of Life Insurance for the Dependent that ends under the Group Policy.

After the Continuation Waiting Period expires, You must send Us Proof that You were Totally Disabled when Your Continuation Eligible Life Insurance ended and that such Total Disability has continued without interruption through the expiration of the Continuation Waiting Period. You must do this within 3 months following the expiration of the Continuation Waiting Period.

As part of such Proof, We may choose a Physician to examine You to verify that You are eligible for this continuation. If We do so, We will pay for such exam. After We receive and review Your Proof, We will determine if You are approved for this continuation. We will send You Written notice advising whether You are approved.

To verify that You continue to be Totally Disabled without interruption after Our initial approval, We may periodically request that You send Us Proof that You continue to be Totally Disabled. We will not ask for such Proof more than once each year.

LIFE INSURANCE: ELIGIBILITY FOR CONTINUATION IF LIFE INSURANCE ENDS WHILE YOU ARE TOTALLY DISABLED

DATE CONTINUATION ENDS

The Continuation Eligible Life Insurance continued under this section may be reduced on account of Your age or as otherwise described in this certificate and will end at the earliest of:

1. the date You die;
2. the date Your Total Disability ends;
3. the date You do not give Us Proof of Totally Disability, as required;
4. the date You refuse to be examined by Our Physician, as required; or
5. the date You attain age 65.

OPTION TO CONVERT YOUR CONTINUATION ELIGIBLE LIFE INSURANCE

When a continuation under this section ends, You may buy an individual policy of life insurance from Us. The details of this option are described in the section entitled LIFE INSURANCE: CONVERSION OPTION FOR YOU. For the purpose of that section, the end of this continuation will be considered the end of Your employment. You may not use the conversion option described in such section if:

- before the end of the Application Period for conversion You return to Active Work in an eligible class and become insured under the Group Policy; or
- You have already converted all of Your Continuation Eligible Life Insurance under such section.

IF YOU DIE DURING CONTINUATION

If You die while Your Continuation Eligible Life Insurance is being continued under this section, Proof of Your death must be sent to Us within one year of Your death. Proof includes supporting documentation that Total Disability continued with no interruption from the date Your Life Insurance ended until the date of Your death.

When We receive such Proof with the claim, We will review the claim and if We approve it, will pay the Beneficiary the Continuation Eligible Life Insurance continued under this section.

Effect of Previous Conversion

If You converted Your Continuation Eligible Life Insurance to an individual policy, We will only pay the Continuation Eligible Life Insurance under this section if such individual policy is returned to Us. If it is returned to Us, We will refund to Your estate the premiums paid for such policy without interest, less any debt incurred under such policy.

If You do not return such individual policy to Us, We will pay the life insurance in effect under the individual policy.

We will not pay insurance under both the Group Policy and the individual policy.

IMPORTANT NOTICE

On the date Your insurance ends, We will not know whether You will be able to satisfy the Total Disability and Proof Requirements specified above. For this reason, We urge You to consider taking the following steps:

Step 1. When Your Continuation Eligible Life Insurance ends, ask the Employer if such insurance will be continued with premium payment. If the answer is yes, ask if such continuation will be for at least 12 months. If the answer is yes, file a claim for continuation of insurance under this section at the end of the Continuation Waiting Period.

If the Employer will not continue Your Continuation Eligible Life Insurance as described in Step 1, proceed to Step 2.

LIFE INSURANCE: ELIGIBILITY FOR CONTINUATION IF LIFE INSURANCE ENDS WHILE YOU ARE TOTALLY DISABLED

Step 2. Read the section entitled LIFE INSURANCE: CONVERSION OPTION FOR YOU. You have the option to convert Your Continuation Eligible Life Insurance to an individual policy of insurance with premium payment.

If the Employer will not continue Your Continuation Eligible Life Insurance as described in Step 1 and You do not convert to an individual policy as described in Step 2:

- You will not be insured should You die during the Continuation Waiting Period; and
- You may not be eligible to convert Your Continuation Eligible Life Insurance at the end of the Continuation Waiting Period if We do not approve You for the continuation under this section.

FILING A CLAIM

The Employer should have a supply of claim forms. Obtain a claim form from the Employer and fill it out carefully. Return the completed claim form with the required Proof to the Employer. The Employer will certify Your insurance under the Group Policy and send the certified claim form and Proof to Us.

When we receive the claim form and Proof We will review the claim and, if We approve it, We will pay benefits subject to the terms and provisions of this certificate and the Group Policy.

CLAIMS FOR LIFE INSURANCE BENEFITS

When a claimant files a claim for Life Insurance benefits, Proof should be sent to Us as soon as is reasonably possible after the death of an insured.

GENERAL PROVISIONS

Assignment

You may assign Your Life Insurance rights and benefits under the Group Policy as a gift or as a viatical assignment.

We will recognize the assignee(s) under such assignment as owner(s) of Your right, title and interest in the Group Policy if:

1. a Written form satisfactory to Us, affirming this assignment, has been completed;
2. the Written form has been Signed by You and the assignee(s);
3. the Employer acknowledges that the Life Insurance being assigned is in force on the life of the assignor; and
4. the Written form is delivered to Us for recording.

Viatical assignments may only be made after Your Life Insurance has been in effect under this certificate for 2 years. However, you may make a viatical assignment before the end of the 2 year period if you are Terminally Ill.

Terminally Ill means that You are expected to die within 6 months. As Proof of Your Terminal Illness You or Your legal representative must send Us a signed Physician's certification that You are Terminally Ill. We may also request an exam by a Physician of Our choice, at Our expense.

Beneficiary

You may designate a Beneficiary in Your application or enrollment form. You may change Your Beneficiary at any time. To do so, You must send a Signed and dated, Written request to the Employer using a form satisfactory to Us. Your Written request to change the Beneficiary must be sent to the Employer within 30 days of the date You Sign such request.

You do not need the Beneficiary's consent to make a change. When We receive the change, it will take effect as of the date You Signed it. The change will not apply to any payment made in good faith by Us before the change request was recorded.

If two or more Beneficiaries are designated and their shares are not specified, they will share the insurance equally.

If there is no Beneficiary designated or no surviving designated Beneficiary at Your death, We may determine the Beneficiary to be one or more of the following who survive You:

1. Your Spouse;
2. Your Child(ren);
3. Your parent(s); or
4. Your siblings(s)

For Your Life Insurance for Your Dependents, We will pay You as the Beneficiary, if alive. If You are not alive, We may determine the Beneficiary to be one or more of the following who survive You:

1. Your Spouse;
2. Your child(ren);
3. Your parent(s); or
4. Your sibling(s)

If You and any Dependent die within a 24 hour period, We will pay the Dependent's Life Insurance to the Beneficiary receiving payment of Your Life Insurance or, We may pay Your estate.

Instead of making payment to any of the above, we may pay Your estate. Any payment made in good faith will discharge our liability to the extent of such payment.

GENERAL PROVISIONS (CONTINUED)

If a Beneficiary or payee is a minor or incompetent to receive payment, We will pay that person's guardian.

Suicide (See notice page for residents of Missouri)

For Supplemental Life

If You commit suicide within 2 years from the date Life Insurance for You takes effect, We will not pay such insurance and Our liability will be limited as follows:

- any premium paid by You will be returned to the Beneficiary.
- any premium paid by the Employer will be returned to the Employer.

If You commit suicide 2 years from the date an increase in Your Life Insurance takes effect, We will pay to the Beneficiary the amount of insurance in effect on the day before the increase. Any premium You paid for the increase will be returned to the Beneficiary. Any premium paid by the Employer for the increase will be returned to the Employer.

For Dependent Life

If a Dependent commits suicide within 2 years from the date Life Insurance for such Dependent takes effect, We will not pay such insurance and Our liability will be limited as follows:

- any premium paid by You will be returned to the Beneficiary.
- any premium paid by the Employer will be returned to the Employer.

If a Dependent commits suicide within 2 years from the date an increase in Life Insurance for such Dependent takes effect, We will pay to the Beneficiary the amount of insurance in effect on the day before the increase. Any premium You paid for the increase will be returned to the Beneficiary. Any premium paid by the Employer for the increase will be returned to the Employer.

Entire Contract

Your insurance is provided under a contract of group insurance with the Employer. The entire contract with the Employer is made up of the following:

1. the Group Policy and its Exhibits, which include the certificate(s);
2. the Employer's application; and
3. any amendments and/or endorsements to the Group Policy.

Incontestability: Statements Made by You

Any statement made by You will be considered a representation and not a warranty. We will not use such statement to avoid insurance, reduce benefits or defend a claim unless the following requirements are met:

1. the statement is in a Written application or enrollment form;
2. You have Signed the application or enrollment form; and
3. a copy of the application or enrollment form has been given to You or Your Beneficiary.

We will not use Your statements which relate to insurability to contest life insurance after it has been in force for 2 years during Your life, unless the statement is fraudulent. In addition, We will not use such statements to contest an increase or benefit addition to such insurance after the increase or benefit has been in force for 2 years during Your life, unless the statement is fraudulent.

Misstatement of Age

If Your or Your Dependent's age is misstated, the correct age will be used to determine if insurance is in effect and, as appropriate, We will adjust the benefits and/or premiums.

GENERAL PROVISIONS (CONTINUED)

Conformity with Law

If the terms and provisions of this certificate do not conform to any applicable law, this certificate shall be interpreted to so conform.

Autopsy

We have the right to make a reasonable request for an autopsy where permitted by law. Any such request will set forth the reasons We are requesting the autopsy.

- ULHIGA provides coverage for certain life, health and annuity insurance policies.

EXCLUSIONS AND LIMITATIONS

Several kinds of insurance policies are specifically excluded from coverage. There are also a number of limitations to coverage. The following are not covered by ULHIGA:

- Coverage through an HMO.
- Coverage by insurance companies not licensed in Utah.
- Self-funded and self-insured coverage provided by an employer that is only administered by an insurance company.
- Policies protected by another state's Guaranty Association.
- Policies where the insurance company does not guarantee the benefits.
- Policies where the policyholder bears the risk under the policy.
- Re-insurance contracts.
- Annuity policies that are not issued to and owned by an individual, unless the annuity policy is issued to a pension benefit plan that is covered.
- Policies issued to pension benefit plans protected by the Federal Pension Benefit Guaranty Corporation.
- Policies issued to entities that are not members of the ULHIGA, including health plans, fraternal benefit societies, state pooling plans and mutual assessment companies.

LIMITS ON AMOUNT OF COVERAGE

Caps are placed on the amount ULHIGA will pay. These caps apply even if you are insured by more than one policy issued by the insolvent company. The maximum ULHIGA will pay is the amount of your coverage or \$500,000 — whichever is lower. Other caps also apply:

- \$100,000 in net cash surrender values.
- \$500,000 in life insurance death benefits (including cash surrender values).
- \$500,000 in health insurance benefits.
- \$200,000 in annuity benefits — if the annuity is issued to and owned by an individual or the annuity is issued to a pension plan covering government employees.
- \$5,000,000 in annuity benefits to the contract holder of annuities issued to pension plans covered by the law. (Other limitations apply).
- Interest rates on some policies may be adjusted downward.

EMPLOYEE ELIGIBILITY

Active Employee

You are an Active Employee if you:

1. are an Eligible Employee working for the Employer doing all the material duties of your occupation at (i) your usual place of business; or (ii) some other location that your Employer's business requires you to be;
2. are a citizen or legal resident of the United States or Canada; and
3. are not a temporary or seasonal Employee.

You will be deemed an Active Employee if:

1. you meet the above conditions; and
2. you are absent from work solely due to vacation days, holidays, scheduled days off, or approved leaves of absence not due to Disability.

For Contributory Insurance, if you make written application for coverage no later than 31 days after your Eligibility Date and agree to have the required contributions deducted from your pay, you will be covered on the later of:

1. your Eligibility Date;
2. the date you meet the Active Employee requirements; or
3. the date of your written application.

However, if you were eligible for coverage under the prior plan but did not elect to be covered under the prior plan, you will be required to provide Evidence of Good Health satisfactory to us. Your coverage will become effective when we approve your Evidence of Good Health.

If you are an Active Employee and make written application more than 31 days after your Eligibility Date, you will be required to provide Evidence of Good Health satisfactory to us. Your coverage will become effective on the later of:

1. the date we approve your Evidence of Good Health; or
2. the date you meet the Active Employee requirements.

"Evidence of Good Health" is a statement providing your medical history. We will use this statement to determine your insurability under This Plan. This statement must be provided to us at your expense.

Continuity of Coverage upon Replacement of Plans

In order to prevent a loss of coverage because of a transfer of insurance carriers, This Plan will provide coverage for you if:

1. you were covered under the prior carrier's plan that This Plan replaced at the time of transfer; and
2. you are an Eligible Employee and you are not an Active Employee.

Coverage will only be provided if the required payment toward the cost of your coverage is made to us.

The benefit payable will be that which would have been paid by the prior carrier had coverage remained in force, less any benefit for which the prior carrier is liable.

Changes in Amount of Monthly Benefit

The amount of your Monthly Benefit may change as a result of a change in your earnings or class. The new Monthly Benefit amount:

1. will take effect on the date of the change; and
2. will apply only to Disabilities commencing thereafter.

However, if you are not an Active Employee on the above date, the new Monthly Benefit amount will take effect on the date you are again an Active Employee.

LONG TERM DISABILITY BENEFITS

A. Monthly Benefit

You will be paid a Monthly Benefit, in accord with Plan Highlights, if we determine that:

1. you are Disabled; and
2. you became Disabled while covered under This Plan.

Benefits will begin to accrue on the date following the day you complete your Elimination Period. Payment of the Monthly Benefit will start on the date one month after completion of the Elimination Period. Subsequent payments will be made each month thereafter. Payment is based on the number of days you are Disabled during each one month period.

Contributions are not required for the time that Monthly Benefits are payable.

After we determine that you are Disabled, your Monthly Benefits will not be affected by:

1. termination of This Plan;
2. termination of your coverage; or
3. any plan change that is effective after the date you became Disabled.

When Benefits End

Monthly Benefits will end on the earliest of the following dates:

1. the end of the Maximum Benefit Duration;
2. the end of the period specified in the Limitation for Disabilities Due to Particular Conditions and the Limitation For Alcohol, Drug or Substance Abuse or Dependency;
3. the date you are no longer Disabled;

4. the date you fail to provide us with any of the information listed in Plan Highlights under Benefits Checklist;
5. the day you die;
6. the date you cease or refuse to participate in a Rehabilitation Program as described in Work Incentive; or
7. the date you fail to attend a medical examination requested by us as described in Medical Examination.

Elimination Period

Your Elimination Period begins on the day you become Disabled. It is a period of time during which no benefits are payable. Your Elimination Period is shown in Plan Highlights. You must be under the continuous care of a Doctor during your Elimination Period. You may temporarily recover from your Disability during your Elimination Period. If you then become Disabled again due to the same or related condition, you may not have to begin a new Elimination Period.

Temporary Recovery During Your Elimination Period

If you return to work for 30 days or less during your Elimination Period, those days will count towards your Elimination Period. However, if you return to work for more than 30 days before satisfying your Elimination Period, you will have to begin a new Elimination Period.

Temporary Recovery means you cease to be Disabled. During a period of Temporary Recovery you will not qualify for any change in coverage caused by a change in any of the following:

1. the rate of earnings used to determine your Predisability Earnings; or
2. the terms, provisions, or conditions shown in your Certificate of Insurance.

Definition of Disability

"Disabled" or "Disability" means that, due to sickness, pregnancy or accidental injury, you are receiving Appropriate Care and Treatment from a Doctor on a continuing basis; and

1. during your Elimination Period and the next 24 month period, you are unable to earn more than 80% of your Predisability Earnings or Indexed Predisability Earnings at your Own Occupation for any employer in your Local Economy; or
2. after the 24 month period, you are unable to earn more than 60% of your Indexed Predisability Earnings from any employer in your Local Economy at any gainful occupation for which you are reasonably qualified taking into account your training, education, experience and Predisability Earnings .

Your loss of earnings must be a direct result of your sickness, pregnancy or accidental injury. Economic factors such as, but not limited to, recession, job obsolescence, paycuts and job-sharing will not be considered in determining whether you meet the loss of earnings test.

For an employee whose occupation requires a license, "loss of license" for any reason does not, in itself, constitute Disability.

"Appropriate Care and Treatment" means medical care and treatment that meet all of the following:

1. it is received from a Doctor whose medical training and clinical experience are suitable for treating your Disability;
2. it is necessary to meet your basic health needs and is of demonstrable medical value;
3. it is consistent in type, frequency and duration of treatment with relevant guidelines of national medical, research and health care coverage organizations and governmental agencies;
4. it is consistent with the diagnosis of your condition; and
5. its purpose is maximizing your medical improvement.

"Doctor" means a person who: (i) is legally licensed to practice medicine; and (ii) is not related to you. A licensed medical practitioner will be considered a Doctor:

1. if applicable state law requires that such practitioners be recognized for the purposes of certification of disability; and
2. the care and treatment provided by the practitioner is within the scope of his or her license.

"Own Occupation" means the activity that you regularly perform and that serves as your source of income. It is not limited to the specific position you held with your Employer. It may be a similar activity that could be performed with your Employer or any other employer.

"Local Economy" means the geographic area surrounding your place of residence which offers reasonable employment opportunities. It is an area within which it would not be unreasonable for you to travel to secure employment. If you move from the place you resided on the date you became Disabled, we may look at both that former place of residence and your current place of residence to determine local economy.

Work Incentive

While you are Disabled, you are encouraged to work or participate in a Rehabilitation Program during your Elimination Period or while Monthly Benefits are being paid to you. Reimbursement for Eligible Family Care Expenses may also be available when you work or participate in an approved Rehabilitation Program while Disabled.

When you work while Disabled, you will receive the sum of the following amounts:

1. your Monthly Benefit (including your Rehabilitation Incentive when applicable);
2. the amount of your earnings for working while Disabled; and
3. the amount of Family Care Expenses for which you are eligible.

During the 24 month period following your Elimination Period your Monthly Benefit will be reduced if the total amount you receive from the above sources and Other Income Benefits exceeds 100% of your Predisability Earnings or Indexed Predisability Earnings. Your Monthly Benefit will be reduced by that portion of the amount you receive which exceeds 100% of your Predisability Earnings or Indexed Predisability Earnings.

After the 24 month period described above, your Monthly Benefit will be reduced by 50% of your earnings from working while Disabled. Your Monthly Benefit will be further reduced if the total amount you receive from the above sources and Other Income Benefits exceeds 100% of your Indexed Predisability Earnings. Your Monthly Benefit will be reduced by that portion of the amount you receive which exceeds 100% of your Indexed Predisability Earnings.

If your Monthly Benefit is reduced as a result of your receiving earnings from any work or service while Disabled, the Minimum Monthly Benefit will not apply.

Monthly Benefit payments will cease on the date you refuse to participate in a Rehabilitation Program in which we determine you are able to participate.

"Rehabilitation Program" means:

1. a return to active employment by you on either a part-time or full-time basis in an attempt to enable you to resume gainful employment or service in an occupation for which you are reasonably qualified taking into account your training, education, experience and past earnings; or
2. participating in vocational training or physical therapy. This must be deemed by one of our rehabilitation coordinators to be appropriate.

Rehabilitation Incentive

While Disabled, your Monthly Benefit, before reduction for Other Income Benefits, is increased by 10% when you participate in a Rehabilitation Program approved by us.

Family Care Expenses

This provision applies during the first 24 months following the date you have satisfied the Elimination Period.

While Disabled, when you work or participate in a Rehabilitation Program approved by us, you will be reimbursed for Eligible Family Care Expenses incurred with respect to each Eligible Family Member.

"Eligible Family Member" means a person who is:

1. living with you as part of your household; and
2. chiefly dependent on you for support.

"Eligible Family Care Expenses" mean the monthly expenses incurred by you in order for you to participate in a Rehabilitation Program, up to \$250 for each Eligible Family Member. These are expenses incurred:

1. to provide child care with respect to an Eligible Family Member under age 13. Child care must be provided by a licensed child care facility or other qualified child care provider. The child care provider may not be a member of your immediate family or living in your residence.
2. to provide care to an Eligible Family Member who as a result of a mental or physical impairment, is incapable of caring for himself or herself. Family Care Expenses for services provided by a member of your immediate family or any one living in your residence will not be reimbursed.

Eligible Family Care Expenses do not include expenses for which you are eligible for reimbursement under any other group plan or from any other source.

You must provide satisfactory proof to us that you incurred such charges. You must give us proof that the Eligible Family Member is incapable of caring for himself or herself and is chiefly dependent on you for support. The proof must be satisfactory to us.

Predisability Earnings

"Predisability Earnings" means the amount of your gross salary or wages from your Employer as of the day before your Disability began. This is calculated on a monthly basis.

This may include contributions you make through a salary reduction agreement with your Employer to any of the following:

1. an Internal Revenue Code (IRC) Section 401(k), 403(b) or 457 deferred compensation arrangement;
2. an executive nonqualified deferred compensation arrangement; and
3. amounts contributed to your fringe benefits according to a salary reduction agreement under an IRC Section 125 plan.

Predisability Earnings do not include:

1. awards, commissions and/or bonuses;
2. overtime pay;
3. the grant, sale, conversion and/or exercise of shares of stock or stock options;
4. your Employer's contributions on your behalf to any deferred compensation arrangement or pension plan; or
5. any other compensation.

If you do not have regular work hours, your Predisability Earnings are based on the average number of hours you worked per month during the preceding 12 calendar months (or during your period of employment if less than 12 months). In no event will the number of hours be more than 173 hours.

Indexed Predisability Earnings

Indexed Predisability Earnings means your Predisability Earnings increased by 7%.

The first increase will take place on the date the 13th Monthly Benefit is payable. Subsequent increases will take effect on each anniversary of the first increase. You must have been continually receiving Monthly Benefits under This Plan.

B. Reduction of Benefits - Other Income Benefits

Your Monthly Benefit is reduced by Other Income Benefits shown below. The Monthly Benefit payable to you:

1. will not be less than the amount shown in Plan Highlights under Minimum Monthly Benefit (except in the case of an Overpayment or while receiving work earnings);
2. will not be further reduced due to cost-of-living increases payable under Other Income Benefits after the correct reduction has been determined;
3. will not be reduced by any reasonable attorney fees included in any award or settlement; and
4. will not be reduced by any sources other than those shown below.

If you receive Other Income Benefits in a lump sum instead of in monthly payments, you must provide to us satisfactory proof of the breakdown of: (i) the amount attributable to lost income; and (ii) the time period for which the lump sum is applicable. If you do not provide this information to us, we may reduce your Monthly Benefit by an amount equal to the Monthly Benefit otherwise payable. We will reduce the Monthly Benefit each month until the lump sum has been exhausted. However, if we are given proof of the time period and amount attributable to lost income, we will make a retroactive adjustment.

List of Sources of Other Income Benefits

1. Federal Social Security Act, Railroad Retirement Act, Canada Pension Plan, or any provincial pension or disability plan, or the Canada Old Age Security Act

- a. benefits that you receive, are entitled to receive or would have been eligible to receive upon making timely application because of your disability or retirement will be counted; and
- b. benefits available with respect to your spouse and dependents (regardless of marital status or their place of residence) because of your disability or retirement will be counted. If you are divorced or legally separated, benefits paid directly to your dependents and not taken into constructive receipt by you will not be counted.

Estimating Social Security Benefits

We reserve the right to reduce your Monthly Benefit by estimating the Social Security disability benefits you may be eligible to receive.

Your Monthly Benefit will not be reduced by estimated Social Security disability benefits during the first 24 months of Monthly Benefit payments if, prior to the end of the 6 month period following the date you became disabled:

1. you provide proof that you have applied for Social Security disability benefits;
2. you have signed the Reimbursement Agreement which confirms that you will repay all Overpayments; and
3. you have signed the form authorizing the Social Security Administration to release information on awards directly to us.

If you have not received approval or final denial of your claim from the Social Security Administration by the end of this 24 month period, we will begin reducing your Monthly Benefit by an estimate of Social Security disability benefits. For purposes of this section, final denial of your claim means that you have received a "Notice of Denial of Benefits" from an Administrative Law Judge.

In any case, when you do receive approval or final denial of your claim from the Social Security Administration:

1. your Monthly Benefit will be adjusted; and
2. you must promptly refund to us an amount equal to all Overpayments. If you do not promptly make such a refund to us, we may, at our option, reduce or offset against any future benefits payable to you, including the Minimum Benefit.

2. Group Insurance Policies

Group insurance policies will be counted if the Employer contributes towards them or makes payroll deduction for any of the following:

- a. other group health insurance policies will be counted to the extent that they provide benefits for loss of time from work due to disability; and
- b. a group life policy that provides installment payments for permanent total disability will be counted.

3. **Work Earnings, Rehabilitation Incentive and Family Care Expenses** will not be used to reduce your Monthly Benefit except as described in Work Incentive.

4. Employer's Retirement Plan

Benefits for disability and/or retirement that you receive under the Employer's retirement plan will be counted to the extent they are attributable to the Employer's contributions.

Benefits under the Employer's retirement plan that are payable for disability is money which:

- a. is payable under a retirement plan due to a disability as defined in that plan; and
- b. does not reduce the amount of money which would have been paid as retirement benefits at the normal retirement age under the plan if the disability had not occurred. (If the payment does cause such a reduction it will be deemed a retirement benefit as defined below.)

Benefits under the Employer's retirement plan that are payable upon retirement is money which:

- a. is payable under the Employer's retirement plan either in a lump sum or in the form of periodic payments;
- b. is payable upon:
 - i. the later of age 62 or normal retirement age as defined in the retirement plan;
 - ii. early retirement age as defined in the retirement plan. (You must have voluntarily elected to receive payments prior to your normal retirement age); or
 - iii. disability as defined in the retirement plan. (You must have voluntarily elected to receive payment prior to your normal retirement age and such payment does reduce the amount of money which would have been paid at the normal retirement age under the plan if the disability had not occurred); and

NOTE: You will be considered to have voluntarily elected to receive payments if you file an application for benefits with the Retirement Plan and request the start of payments prior to your normal retirement age.

- c. does not represent contributions made by you. Payments which represent your contributions are deemed to be received over your expected remaining life regardless of when such payments are actually received.

The Employer's Retirement Plan is a plan which provides retirement benefits to Employees and which is not funded wholly by Employee contributions. The term shall not include the following, regardless of the source of contributions:

- a. profit sharing plans;
- b. thrift or savings plans;
- c. non-qualified plans of deferred compensation;
- d. plans under IRC Section 401(k) or 457;
- e. individual retirement accounts (IRA);
- f. tax sheltered annuities (TSA) under IRC Section 403(b);
- g. stock ownership plans; or
- h. Keogh (HR-10) plans.

5. No-fault Auto Laws

Only the basic reparations portion for loss of income of a law providing for payments without determining fault in connection with automobile accidents will be counted. Supplemental disability benefits you buy under a no-fault auto law will not be counted.

6. Other Programs or Plans including:

- a. a compulsory benefit program of any government which provides payment for loss of time from your job because of your disability will be counted;
- b. any other group disability income plan, fund, or other arrangement, no matter what called, if the Employer contributes toward it or makes payroll deductions for it, will be counted; or
- c. any sick pay or other salary continuation, other than vacation pay, paid to you by the Employer will be counted.

7. Workers' Compensation or a Similar Law

Periodic benefits and substitutes and exchanges for periodic benefits will be counted.

8. Occupational Disease Laws

9. Maritime Maintenance & Cure

10. Third Party Recovery

The amount of recovery you receive for loss of income as a result of claims against a third party by judgment, settlement or otherwise.

11. Unemployment Insurance Law or Program

Exceptions to Other Income Benefits

Other Income Benefits will not include:

1. group credit or mortgage disability insurance benefits; or
2. early retirement benefits not taken into constructive receipt; or
3. individual insurance policies.

C. Supplemental Benefits

Survivors Benefit

If you die while you are receiving benefit payments under This Plan, your spouse or unmarried children under age 25 may be eligible for a lump sum Survivors Benefit.

The amount of the Survivors Benefit is equal to 6 times the Monthly Benefit before reductions for Other Income Benefits. The amount of Survivors Benefit payable is reduced by any Overpayment which we are entitled to recover.

We will pay the Survivors Benefit to your Eligible Survivor, if the following conditions are met:

1. you have completed your Elimination Period;
2. you are eligible to receive a Monthly Benefit at the time of death;
3. you have an Eligible Survivor; and
4. proof of your death is provided to us.

An Eligible Survivor is one of the following:

1. your surviving spouse; or
2. if there is no surviving spouse, your unmarried children or your spouse's unmarried children under age 25. The term children also includes adopted children and children placed for adoption until legal adoption. Payment will be divided into equal shares among the eligible children.

We will pay a Survivors Benefit to your Eligible Survivor on the date one month after the last Monthly Benefit payment was made before your death. However, if there is no Eligible Survivor on the date payment is due to be paid, no payment will be made.

Payment to a minor child may be made to an adult who submits proof satisfactory to us that he/she has assumed custody and support of the child.

D. Temporary Recovery

Once benefits become payable under This Plan, you may Temporarily Recover from your Disability. If you become Disabled again due to the same or related condition, you may not have to begin a new Elimination Period.

Once you have satisfied your Elimination Period, a period of Temporary Recovery is your return to work for less than 6 months for each period of Temporary Recovery.

During the Temporary Recovery you will not qualify for any change in coverage caused by a change in any of the following:

1. the rate of earnings used to determine your Predisability Earnings; or
2. the terms, provisions, or conditions shown in your Certificate of Insurance.

If your recovery lasts longer than the Temporary Recovery period allowed when you become Disabled again you will have to begin a new Elimination Period.

E. Concurrent Disability

If a new Disability occurs while Monthly Benefits are payable, it will be treated as part of the same period of Disability. Monthly Benefits will continue while you remain Disabled. They will be subject to both of the following:

1. the Maximum Benefit Duration; and
2. Limitations and Exclusions that apply to the new cause of Disability.

F. Limitations

Limitation for Pre-existing Conditions

You may be Disabled due to a Pre-existing Condition. No benefits are payable under This Plan in connection with that Disability unless your Elimination Period starts after you have been an Active Employee under This Plan for 12 consecutive months.

A Pre-existing Condition is an injury, sickness, or pregnancy for which you in the 3 months before your Effective Date:

1. received medical treatment, care, or services;
2. took prescription medications or had medications prescribed; or
3. had symptoms or conditions which would cause a reasonably prudent person to seek diagnosis, care, or treatment.

If you cannot satisfy the above limitation and you were covered under the plan that This Plan replaced at the time of transfer, benefits may be payable under This Plan. We will give consideration towards the continuous time you were covered under the prior plan and This Plan. If you then satisfy the above limitation, the maximum Monthly Benefit payable under This Plan will not exceed the lesser of: (i) the Maximum Benefit under This Plan; and (ii) the maximum benefit under the prior plan.

Limitation For Disabilities Due to Particular Conditions

Monthly Benefits are limited to 24 months during your lifetime if you are Disabled due to a Mental or Nervous Disorder or Disease, unless the Disability results from:

1. Mental or Nervous Disorder or Disease, unless the Disability results from:
 - a. schizophrenia;
 - b. bipolar disorder;
 - c. dementia; or
 - d. organic brain disease.

CLAIMS

Notice of Disability

Notify us of your Disability as soon as you are able.

To notify us you may call us directly. You may obtain this phone number from you're Employer. You will be instructed on how to give proof of Disability. You will be required to answer all questions concerning your Disability.

If you do not receive statements or instructions within 15 days after you have notified us, you may submit your statement in a letter.

Proof of Disability

Provide proof of Disability within 3 months after the end of your Elimination Period.

No benefits are payable for claims submitted more than one year after the date of Disability. However, you can request that benefits be paid for late claims if you can show that:

1. it was not reasonably possible to give written proof of Disability during the one year period; and
2. proof of Disability satisfactory to us was given to us as soon as was reasonably possible.

Documentation

At your expense, you must provide documented proof of your Disability. Proof includes, but is not limited to:

1. the date your Disability started;
2. the cause of your Disability; and
3. the prognosis of your Disability.

You will be required to provide signed authorization for us to obtain and release medical and financial information, and any other items we may reasonably require in support of your Disability.

These will include but are not limited to:

1. proof of continuing Disability;
2. proof you have applied, or are not eligible, for Other Income Benefits. If you do not provide proof you have applied for Other Income Benefits, we may reduce your Monthly Benefit. The reduction will be based on our estimate of what you would be eligible to receive through proper and timely pursuit;
3. proof that you applied for Social Security disability benefits until denied at the Administrative Law Judge level; and
4. proof you have applied for Workers' Compensation benefits or benefits under a similar law. If you do not provide proof that you have applied for these benefits, we may reduce your Monthly Benefit. The reduction will be based on our estimate of what you would be eligible to receive through proper and timely pursuit.

If you do not provide satisfactory documentation within 60 days after the date we ask for it, your claim may be denied.

Method of Payment

When we determine you are Disabled:

1. Monthly Benefits are paid one month after you qualify for them. Such benefits will be paid on a monthly basis thereafter.
2. Benefits will be paid to you. However, benefits unpaid at your death will be paid to:
 - a. your spouse, if living; otherwise
 - b. your children, if living, divided equally;
 - c. your estate. If benefits are payable to your estate, we may pay up to \$1,500 to someone related to you by blood or by marriage whom we deem entitled to this amount. We will be discharged to the extent of any payment made in good faith.
3. Monthly Benefits due for a period of less than a month will be paid at a daily rate of 1/30th of the Monthly Benefit payable.

Right To Recover Overpayments

We have the right to recover from you any amount that we determine to be an Overpayment. You have the obligation to refund to us any such amount. Our rights and your obligations in this regard are also set forth in the reimbursement agreement you are required to sign when you become eligible for benefits under This Plan. This agreement: (i) confirms that you will repay all Overpayments; and (ii) authorizes us to obtain any information relating to Other Income Benefits.

An Overpayment occurs when we determine that the total amount paid by us on your claim is more than the total of the benefits due under This Plan. This includes any Overpayments resulting from:

1. retroactive awards received from sources shown in the List of Other Income Benefits;
2. fraud; or
3. any error we make in processing your claim.

The Overpayment equals the amount we paid in excess of the amount we should have paid under This Plan. In the case of a recovery from a source other than This Plan, our Overpayment recovery will not be more than the amount of the recovery.

You have the right to appeal any Overpayment recovery.

An Overpayment also occurs when payment is made by us that should have been made under another group plan. In that case, we may recover the payment from one or more of the following:

1. any other insurance company;
2. any other organization; or
3. any person to or for whom payment was made.

We may, at our option, recover the Overpayment by:

1. reducing or offsetting against any future benefits payable to you or your survivors;
2. stopping future benefit payments (including Minimum Benefits) which would otherwise be due under This Plan. Payments may continue when the Overpayment has been recovered; or
3. demanding an immediate refund of the Overpayment from you.

Legal Actions

No legal action of any kind may be filed against us:

1. within the 60 days after proof of Disability has been given; or
2. more than three years after proof of Disability must be filed. This will not apply if the law in the area where you live allows a longer period of time to file proof of Disability.

Medical Examinations

We will have the right to have you examined at reasonable intervals by medical specialists of our choice. The examination will be at our expense. Failure to attend a medical examination or cooperate with the medical examiner may be cause for denial or suspension of your benefits.

Incontestability of Coverage

This Plan cannot be declared invalid after it has been in force for 2 years. It can be declared invalid due to non-payment of premium.

No statement of health used by any person to get coverage can be used to declare coverage invalid if the person has been covered under This Plan for 2 years. In order to use a statement of health to deny coverage before the end of 2 years, it must have been signed by the person. A copy of the signed statement must be given to the person or the person's beneficiary.

Assignment

You may not assign your benefits. This means that you may not give or transfer your benefits to anyone else.

Workers' Compensation

This Plan is not in lieu of, and does not affect, any requirement for coverage by Workers' Compensation Insurance or any government mandated temporary disability income benefits law.

SPECIAL SERVICES

SOCIAL SECURITY ASSISTANCE PROGRAM

If you become Disabled MetLife provides you with assistance in applying for Social Security disability benefits. Before outlining the details of this assistance, you should understand why applying for Social Security disability benefits is important.

Why You Should Apply For Social Security Disability Benefits

Both you and your Employer contribute payroll taxes to Social Security. A portion of those tax dollars are used to finance Social Security's program of disability protection. Since your tax dollars help fund this program, it is in your best interest to apply for any benefits to which you may be entitled. Your spouse and children may also be eligible to receive Social Security disability benefits due to your Disability.

There are several reasons why it may be to your financial advantage to receive Social Security disability benefits. Some of them are:

1. Avoids reduced retirement benefits

Should you become disabled and approved for Social Security disability benefits, Social Security will freeze your earnings record as of the date Social Security determines that your disability has begun. This means that the months/years that you are unable to work because of your disability will not be counted against you in figuring your average earnings for retirement and survivors benefit.

2. Medicare Protection

Once you have received 24 months of Social Security disability benefits, you will have Medicare protection for hospital expenses. You will also be eligible to apply for the medical insurance portion of Medicare.

3. Trial Work Period

Social Security provides a trial work period for the rehabilitation efforts of disabled workers who return to work while still disabled. Full benefit checks can continue for up to 9 months during the trial work period.

4. Cost of Living Increases Awarded by Social Security Will Not Reduce Your Disability Benefits

MetLife will not decrease your Disability benefit by the periodic cost of living increases awarded by Social Security. This is also true for any cost of living increases awarded by Social Security to your spouse and children.

This is called a Social Security "freeze." It means that only the Social Security benefit awarded to you and your dependents will be used by MetLife to reduce your Disability benefit; with the following exceptions:

- a. an error by Social Security in computing the initial amount;
- b. a change in dependent status; or

- c. your Employer submitting updated earnings records to Social Security for earnings received prior to your Disability.

Over a period of years, the net effect of these cost of living increases can be substantial.

How MetLife Assists You in the Social Security Approval Process

As soon as you apply for Disability benefits, MetLife begins assisting you with the Social Security approval process.

1. Contact Prior to Application For Social Security Disability Benefits

Before you even apply for Social Security disability benefits. We will help you determine the best time to apply for Social Security disability benefits. A MetLife Case Management Specialist begins assisting you with the application process at that time. The Specialist personally contacts you by phone to explain, in detail, how to apply for Social Security disability benefits and the advantages of doing this. We provide you with a list of items needed by Social Security in order to complete your claim.

2. Assistance Throughout the Application Process

MetLife has a dedicated team of Social Security Specialists. These Specialists, many of whom have worked for the Social Security Administration, are also located within our Claim Department. They provide expert assistance upfront and help guide you through the application process.

3. Guidance Through Appeal Process by Social Security Specialists

Social Security disability benefits may be initially denied, but are often approved following an appeal. If your benefits are denied, our dedicated team of Social Security Specialists provide expert assistance on an appeal if your situation warrants continuing the appeal process. They guide you through each stage of the appeal process. These stages may include:

- a. Reconsideration by the Social Security Administration
- b. Hearing before an Administrative Law Judge
- c. Review by an Appeals Council established within the Social Security Administration in Washington, D.C.
- d. A civil suit in Federal Court

4. Social Security Attorneys and Vendors

Depending on your individual needs, MetLife may provide a referral to an attorney or vendor who specializes in Social Security law. The cost for these attorneys is deducted from the amount you must repay to us if the retroactive Social Security disability benefits you later receive result in MetLife having paid more Disability benefits than we should have paid.

EARLY INTERVENTION PROGRAM

The MetLife Early Intervention Program is offered to all covered Employees, and your participation is voluntary. The program helps identify early those Employees who might benefit from vocational analyses and rehabilitation services before they are eligible for Long Term

Disability Benefits. Early rehabilitation efforts are more likely to reduce the length of your disability and help you return to work sooner than expected.

If you cannot work, or can only work part-time due to a disability, your Employer will notify MetLife. Our Rehabilitation Coordinators may be able to assist you by:

1. Reviewing and evaluating your disabling condition, even before a claim for Long Term Disability Benefits is submitted (with your consent);
2. Designing individualized return to work plans that focus on your abilities, with the goal of return to work;
3. Identifying local community resources;
4. Coordinating services with other benefit providers, including: medical carrier, short term disability carrier*, workers' compensation carrier, and state disability plans;
5. Monitoring return to work plans in progress and modifying them as recommended by the attending physician (with your consent).

Our assistance is offered at no cost to either you or your Employer.

- * If you also have MetLife Short Term Disability coverage or Salary Continuance Plan Management, these services are provided automatically. Notification by your Employer is not necessary.

RETURN TO WORK PROGRAM

Goal of Rehabilitation

The goal of MetLife is to focus on Employees' **abilities**, instead of disabilities. This "abilities" philosophy is the foundation of our Return to Work Program. By focusing on what Employees **can do** versus what they can't, we can assist you in returning to work sooner than expected.

Incentives For Returning To Work

Your disability plan is designed to provide clear advantages and financial incentives for returning to work either full-time or part-time, while still receiving a Disability benefit. In addition to financial incentives, there may be personal benefits resulting from returning to work. Many Employees experience higher self-esteem and the personal satisfaction of being self-sufficient and productive once again. If it is determined that you are capable but you do not participate in the Return to Work Program, your Disability benefits may cease.

Vocational Rehabilitation Services

As a covered Employee you are automatically eligible to participate in our Return to Work Program. The Program focus is vocational rehabilitation, which means identifying the necessary training and therapy that can help you return to work. In many cases, this means helping you return to your former occupation, although rehabilitation can also lead to a new occupation which is better suited to your condition and makes the most of your abilities.

There is no additional cost to you for the services we provide, and they are tailored to meet your individual needs. These services include, but are not limited to, the following:

1. Vocational Analyses

Assessment and counseling to help determine how your skills and abilities can be applied to a new or a modified job with your Employer.

2. Labor Market Surveys

Studies to find jobs available in your locale that would utilize your abilities and skills.

3. Retraining Programs

Programs to facilitate return to your previous job, or to train you for a new job.

4. On-Site Job Analyses

Analyses to determine what modifications may be made to maximize your employment opportunities.

5. Job Modifications/Accommodations

Changes in your job or accommodations to help you perform the previous job or a similar vocation, as required of your Employer under the Americans With Disabilities Act (ADA).

6. Training in Job Seeking Skills

Special training to identify abilities, set goals, develop resumes, polish interviewing techniques, and provide other career search assistance.

Rehabilitation Staff

The Case Management Specialist handling your claim will begin the rehabilitation process. You may be referred to our professional Rehabilitation staff that includes Registered Nurses and vocational rehabilitation coordinators. Registered Nurses might address how your medical condition impacts your ability to return to work. Vocational rehabilitation coordinators will focus on identifying how your abilities can be best applied to either your previous job or a new job.

These rehabilitation specialists will contact you personally. They will coordinate their activities with your medical carrier and/or attending physician for a broad understanding of your diagnosis, prognosis, and expected return to work date.

Rehabilitation Vendor Specialists

In many situations, the services of independent vocational rehabilitation specialists may be utilized. Services are obtained at no additional cost to you; MetLife pays for all vendor services. Selecting a rehabilitation vendor is based on:

1. Attending physician's evaluation and recommendations;
2. Your individual vocational needs; and
3. Vendor's credentials, specialty, reputation, and experience.

When working with vendors, you and your Doctor still maintain control and direction of the case.

The following applies to all ERISA governed groups:

VERMONT CIVIL UNION CERTIFICATE RIDER

Group Policy No.: TM 05579023-G

Policyholder: Knoxville's Community Development Corporation

Effective Date: January 01, 2012

Your certificate (including any riders attached to your certificate) is changed as follows:

Terms that mean or refer to a marital relationship, or that may be construed to mean or refer to a marital relationship, such as "marriage," "spouse," "husband," "wife," "dependent," "next of kin," "relative," "beneficiary," "survivor," "immediate family" and any other such terms include the relationship created by a Civil Union established according to Vermont law.

Terms that mean or refer to the inception or dissolution of a marriage, such as "date of marriage," "divorce decree," "termination of marriage" and any other such terms include the inception or dissolution of a Civil Union established according to Vermont law.

Terms that mean or refer to family relationships arising from a marriage, such as "family," "immediate family," "dependent," "children," "next of kin," "relative," "beneficiary," "survivor" and any other such terms include family relationships created by a Civil Union established according to Vermont law.

"Dependent" means a spouse, a party to a Civil Union established according to Vermont law, and a child or children (natural, step-child, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a Civil Union established according to Vermont law.

"Child" means a child (natural, stepchild, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a Civil Union established according to Vermont law.

"Civil Union" means a civil union established pursuant to Act 91 of the 2000 Vermont Legislative Session, entitled "Act Relating to Civil Unions".

All references in this rider to Civil Unions are limited to Civil Unions in which the parties are residents of Vermont.

Any person who meets the definition of "dependent" under this rider for purposes of dependent insurance, is required to meet all other applicable eligibility and enrollment requirements in order to qualify for such insurance.

If dependent insurance for a spouse and/or child is not provided under your certificate, such insurance is not added by virtue of this rider.

This rider does not limit any definitions or terms included in your certificate. It broadens definitions and terms only to the extent required by Vermont law.

This rider is subject to the terms and provisions of your certificate and is to be attached to and made a part of such certificate.

DISCLOSURE:

Vermont law grants parties to a Civil Union the same benefits, protections and responsibilities that flow from marriage under state law. However, some or all of the benefits, protections and responsibilities related to life and health insurance that are available to married persons under federal law may not be available to parties to a Civil Union. For example, a federal law, the Employee Retirement Income Security Act of 1974 known as "ERISA", controls the employer/employee relationship with regard to determining eligibility for enrollment in private employer benefit plans. Because of ERISA, Act 91 does not state requirements pertaining to a private employer's enrollment of a party to a Civil Union in an ERISA employee benefit plan. However, governmental employers (not federal government) are required to provide life and health benefits to the dependents of a party to a Civil Union if the public employer provides such benefits to dependents of married persons. Federal law also controls group health insurance continuation rights under "COBRA" for employers with 20 or more employees as well as the Internal Revenue Code treatment of insurance premiums. As a result, parties to a Civil Union and their families may or may not have access to certain benefits under this rider and the certificate to which it is attached that derive from federal law. You are advised to seek expert advice to determine your rights under this rider and the certificate to which it is attached.

Georgia residents please be advised of the following:

IMPORTANT NOTICE

The laws of the state of Georgia prohibit insurers from unfairly discriminating against any person based upon his or her status as a victim of family violence.

Utah residents please be advised of the following:

NOTICE TO POLICYHOLDERS

Insurance companies licensed to sell life insurance, health insurance, or annuities in the State of Utah are required by law to be members of an organization called the Utah Life and Health Insurance Guaranty Association ("ULHIGA"). If an insurance company that is licensed to sell insurance in Utah becomes insolvent (bankrupt), and is unable to pay claims to its policyholders, the law requires ULHIGA to pay some of the insurance company's claims. The purpose of this notice is to briefly describe some of the benefits and limitations provided to Utah insured by ULHIGA.

PEOPLE ENTITLED TO COVERAGE

- You must be a Utah resident.
- You must have insurance coverage under an individual or group policy.

POLICIES COVERED

- ULHIGA provides coverage for certain life, health and annuity insurance policies.

EXCLUSIONS AND LIMITATIONS

Several kinds of insurance policies are specifically excluded from coverage. There are also a number of limitations to coverage. The following are not covered by ULHIGA:

- Coverage through an HMO.
- Coverage by insurance companies not licensed in Utah.
- Self-funded and self-insured coverage provided by an employer that is only administered by an insurance company.
- Policies protected by another state's Guaranty Association.
- Policies where the insurance company does not guarantee the benefits.
- Policies where the policyholder bears the risk under the policy.
- Re-insurance contracts.
- Annuity policies that are not issued to and owned by an individual, unless the annuity policy is issued to a pension benefit plan that is covered.
- Policies issued to pension benefit plans protected by the Federal Pension Benefit Guaranty Corporation.
- Policies issued to entities that are not members of the ULHIGA, including health plans, fraternal benefit societies, state pooling plans and mutual assessment companies.

LIMITS ON AMOUNT OF COVERAGE

Caps are placed on the amount ULHIGA will pay. These caps apply even if you are insured by more than one policy issued by the insolvent company. The maximum ULHIGA will pay is the amount of your coverage or \$500,000 — whichever is lower. Other caps also apply:

- \$100,000 in net cash surrender values.
- \$500,000 in life insurance death benefits (including cash surrender values).
- \$500,000 in health insurance benefits.
- \$200,000 in annuity benefits — if the annuity is issued to and owned by an individual or the annuity is issued to a pension plan covering government employees.
- \$5,000,000 in annuity benefits to the contract holder of annuities issued to pension plans covered by the law. (Other limitations apply).
- Interest rates on some policies may be adjusted downward.

DISCLAIMER

PLEASE READ CAREFULLY:

EMPLOYEE ELIGIBILITY

Active Employee

You are an Active Employee if you:

1. are an Eligible Employee working for the Employer doing all the material duties of your occupation at (i) your usual place of business; or (ii) some other location that your Employer's business requires you to be;
2. are a citizen or legal resident of the United States or Canada; and
3. are not a temporary or seasonal Employee.

You will be deemed an Active Employee if:

1. you meet the above conditions; and
2. you are absent from work solely due to vacation days, holidays, scheduled days off, or approved leaves of absence not due to Disability.

For Contributory Insurance, if you make written application for coverage no later than 31 days after your Eligibility Date and agree to have the required contributions deducted from your pay, you will be covered on the later of:

1. your Eligibility Date;
2. the date you meet the Active Employee requirements; or
3. the date of your written application.

However, if you were eligible for coverage under the prior plan but did not elect to be covered under the prior plan, you will be required to provide Evidence of Good Health satisfactory to us. Your coverage will become effective when we approve your Evidence of Good Health.

If you are an Active Employee and make written application more than 31 days after your Eligibility Date, you will be required to provide Evidence of Good Health satisfactory to us. Your coverage will become effective on the later of:

1. the date we approve your Evidence of Good Health; or
2. the date you meet the Active Employee requirements.

"Evidence of Good Health" is a statement providing your medical history. We will use this statement to determine your insurability under This Plan. This statement must be provided to us at your expense.

Continuity of Coverage upon Replacement of Plans

In order to prevent a loss of coverage because of a transfer of insurance carriers, This Plan will provide coverage for you if:

1. you were covered under the prior carrier's plan that This Plan replaced at the time of transfer; and
2. you are an Eligible Employee and you are not an Active Employee.

Coverage will only be provided if the required payment toward the cost of your coverage is made to us.

The benefit payable will be that which would have been paid by the prior carrier had coverage remained in force, less any benefit for which the prior carrier is liable.

Changes in Amount of Weekly Benefit

The amount of your Weekly Benefit may change as a result of a change in your earnings or class. The new Weekly Benefit amount:

1. will take effect on the date of the change; and
2. will apply only to Disabilities commencing thereafter.

However, if you are not an Active Employee on the above date, the new Weekly Benefit amount will take effect on the date you are again an Active Employee.

SHORT TERM DISABILITY BENEFITS

A. Weekly Benefit

You will be paid a Weekly Benefit, in accord with Plan Highlights, if we determine that:

1. you are Disabled; and
2. you became Disabled while covered under This Plan.

Benefits will begin to accrue on the date following the day you complete your Elimination Period. Payment of the Weekly Benefit will start on the date one week after completion of the Elimination Period. Subsequent payments will be made each week thereafter. Payment is based on the number of days you are Disabled during each one week period.

Contributions are required for the time that Weekly Benefits are payable.

After we determine that you are Disabled, your Weekly Benefits will not be affected by:

1. termination of This Plan;
2. termination of your coverage; or
3. any plan change that is effective after the date you became Disabled.

When Benefits End

Weekly Benefits will end on the earliest of the following dates:

1. the end of the Maximum Benefit Duration;
2. the date you are no longer Disabled;
3. the date you fail to provide us with any of the information listed in Plan Highlights under Benefits Checklist;
4. the day you die;
5. the date you cease or refuse to participate in a Rehabilitation Program as described in Work Incentive; or
6. date you fail to attend a medical examination requested by us as described in Medical Examination.

Elimination Period

Your Elimination Period begins on the day you become Disabled. It is a period of time during which no benefits are payable. Your Elimination Period is shown in Plan Highlights. You must be under the continuous care of a Doctor during your Elimination Period.

Definition of Disability

"Disabled" or "Disability" means that, due to sickness, pregnancy or accidental injury, you:

1. are receiving Appropriate Care and Treatment from a Doctor on a continuing basis; and
2. are unable to earn more than 80% of your Predisability Earnings at your Own Occupation for any employer in your Local Economy.

Your loss of earnings must be a direct result of your sickness, pregnancy or accidental injury. Economic factors such as, but not limited to, recession, job obsolescence, paycuts and job-sharing will not be considered in determining whether you meet the loss of earnings test.

For an employee whose occupation requires a license, "loss of license" for any reason does not, in itself, constitute Disability.

"Appropriate Care and Treatment" means medical care and treatment that meet all of the following:

1. it is received from a Doctor whose medical training and clinical experience are suitable for treating your Disability;
2. it is necessary to meet your basic health needs and is of demonstrable medical value;
3. it is consistent in type, frequency and duration of treatment with relevant guidelines of national medical, research and health care coverage organizations and governmental agencies;
4. it is consistent with the diagnosis of your condition; and
5. its purpose is maximizing your medical improvement.

"Doctor" means a person who: (i) is legally licensed to practice medicine; and (ii) is not related to you. A licensed medical practitioner will be considered a Doctor:

1. if applicable state law requires that such practitioners be recognized for the purposes of certification of disability; and
2. the care and treatment provided by the practitioner is within the scope of his or her license.

"Own Occupation" means the activity that you regularly perform and that serves as your source of income. It is not limited to the specific position you held with your Employer. It may be a similar activity that could be performed with your Employer or any other employer.

"Local Economy" means the geographic area surrounding your place of residence which offers reasonable employment opportunities. It is an area within which it would not be unreasonable for you to travel to secure employment. If you move from the place you resided on the date you became Disabled, we may look at both that former place of residence and your current place of residence to determine local economy.

Work Incentive

While you are Disabled, you are encouraged to work or participate in a Rehabilitation Program during your Elimination Period or while Weekly Benefits are being paid to you. Reimbursement for Eligible Family Care Expenses may also be available when you work or participate in an approved Rehabilitation Program while Disabled.

When you work while Disabled, you will receive the sum of the following amounts:

1. your Weekly Benefit(including your Rehabilitation Incentive when applicable);
2. the amount of your earnings for working while Disabled and
3. the amount of Family Care Expenses for which you are eligible.

Your Weekly Benefit will be reduced if the total amount you receive from the above sources and Other Income Benefits exceeds 100% of your Predisability Earnings. Your Weekly Benefit will be reduced by that portion of the total you receive which exceeds 100% of your Predisability Earnings.

If your Weekly Benefit is reduced as a result of your receiving earnings from any work or service while Disabled, the Minimum Weekly Benefit will not apply.

Weekly Benefit payments will cease on the date you refuse to participate in a Rehabilitation Program in which we determine you are able to participate.

"Rehabilitation Program" means:

1. a return to active employment by you on either a part-time or full-time basis in an attempt to enable you to resume gainful employment or service in an occupation for which you are reasonably qualified taking into account your training, education, experience and past earnings; or
2. participating in vocational training or physical therapy. This must be deemed by one of our rehabilitation coordinators to be appropriate.

Rehabilitation Incentive

While Disabled, your Weekly Benefit, before reduction for Other Income Benefits, is increased by 10% when you participate in a Rehabilitation Program approved by us.

Family Care Expenses

After the later of the date following the day you complete your Elimination Period and the end of the 4th week of Disability, when you work or participate in a Rehabilitation Program approved by us, you will be reimbursed for Eligible Family Care Expenses incurred with respect to each Eligible Family Member.

"Eligible Family Member" means a person who is:

1. living with you as part of your household; and
2. chiefly dependent on you for support.

"Eligible Family Care Expenses" mean the weekly expenses incurred by you in order for you to participate in a Rehabilitation Program, up to \$60 for each Eligible Family Member. These are expenses incurred:

1. to provide child care with respect to an Eligible Family Member under age 13. Child care must be provided by a licensed child care facility or other qualified child care provider. The child care provider may not be a member of your immediate family or living in your residence.
2. to provide care to an Eligible Family Member who as a result of mental or physical impairment, is incapable of caring for himself or herself. Family Care Expenses for services provided by a member of your immediate family or any one living in your residence will not be reimbursed.

Eligible Family Care Expenses do not include expenses for which you are eligible for reimbursement under any other group plan or from any other source.

You must provide satisfactory proof to us that you incurred such charges. You must give us proof that the Eligible Family Member is incapable of caring for himself or herself and is chiefly dependent on you for support. The proof must be satisfactory to us.

Predisability Earnings

"Predisability Earnings" means the amount of your gross salary or wages from your Employer as of the day before your Disability began. This is calculated on a weekly basis.

This may include contributions you make through a salary reduction agreement with your Employer to any of the following:

1. an Internal Revenue Code (IRC) Section 401(k), 403(b) or 457 deferred compensation arrangement;
2. an executive nonqualified deferred compensation arrangement; and
3. amounts contributed to your fringe benefits according to a salary reduction agreement under an IRC Section 125 plan.

Predisability Earnings do not include:

1. awards, commissions and/or bonuses;
2. overtime pay;
3. the grant, sale, conversion and/or exercise of shares of stock or stock options;
4. your Employer's contributions on your behalf to any deferred compensation arrangement or pension plan; or
5. any other compensation.

If you do not have regular work hours, your Predisability Earnings are based on the average number of hours you worked per week during the preceding 52 calendar weeks (or during your period of employment if less than 52 weeks). In no event will the number of hours be more than 40 hours.

B. Reduction of Benefits - Other Income Benefits

Your Weekly Benefit is reduced by Other Income Benefits shown below. The Weekly Benefit payable to you:

1. will not be less than the amount shown in Plan Highlights under Minimum Weekly Benefit (except in the case of an Overpayment or while receiving work earnings);
2. will not be further reduced due to cost-of-living increases payable under Other Income Benefits after the correct reductions have been determined;
3. will not be reduced by any reasonable attorney fees included in any award or settlement; and
4. will not be reduced by any sources other than those shown below.

If you receive Other Income Benefits in a lump sum instead of in weekly payments, you must provide to us satisfactory proof of the breakdown of: (i) the amount attributable to lost income; and (ii) the time period for which the lump sum is applicable. If you do not provide this information to us, we may reduce your Weekly Benefit by an amount equal to the Weekly Benefit otherwise payable. We will reduce the Weekly Benefit each month until the lump sum has been exhausted. However, if we are given proof of the time period and amount attributable to lost income, we will make a retroactive adjustment.

List of Sources of Other Income Benefits

1. Group Insurance Policies

Group insurance policies will be counted if the Employer contributes towards them or makes payroll deduction for any of the following:

(You must have voluntarily elected to receive payment prior to your normal retirement age and such payment does reduce the amount of money which would have been paid at the normal retirement age under the plan if the disability had not occurred); and

NOTE: You will be considered to have voluntarily elected to receive payments if you file an application for benefits with the Retirement Plan and request the start of payments prior to your normal retirement age.

- c. does not represent contributions made by you. Payments which represent your contributions are deemed to be received over your expected remaining life regardless of when such payments are actually received.

If you do not receive statements or instructions within 15 days after you have notified us, you may submit your statement in a letter.

Proof of Disability

 - c. your estate. If benefits are payable to your estate, we may pay up to \$1,500 to someone related to you by blood or by marriage whom we deem entitled to this amount. We will be discharged to the extent of any payment made in good faith.

3. Weekly Benefits due for a period of less than a week will be paid at a daily rate of 1/7th of the Weekly Benefit payable.

Right To Recover Overpayments

We have the right to recover from you any amount that we determine to be an Overpayment. You have the obligation to refund to us any such amount. Our rights and your obligations in this regard are also set forth in the reimbursement agreement you are required to sign when you become eligible for benefits under This Plan. This agreement: (i) confirms that you will repay all Overpayments; and (ii) authorizes us to obtain any information relating to Other Income Benefits.

An Overpayment occurs when we determine that the total amount paid by us on your claim is more than the total of the benefits due under This Plan. This includes any Overpayments resulting from:

1. retroactive awards received from sources shown in the List of Other Income Benefits;
2. fraud; or
3. any error we make in processing your claim.

The Overpayment equals the amount we paid in excess of the amount we should have paid under This Plan. In the case of a recovery from a source other than This Plan, our Overpayment recovery will not be more than the amount of the recovery.

You have the right to appeal any Overpayment recovery.

An Overpayment also occurs when payment is made by us that should have been made under another group plan. In that case, we may recover the payment from one or more of the following:

1. any other insurance company;
2. any other organization; or
3. any person to or for whom payment was made.

We may, at our option, recover the Overpayment by:

1. reducing or offsetting against any future benefits payable to you or your survivors;
2. stopping future benefit payments (including Minimum Benefits) which would otherwise be due under This Plan. Payments may continue when the Overpayment has been recovered; or
3. demanding an immediate refund of the Overpayment from you.

Legal Actions

No legal action of any kind may be filed against us:

1. within the 60 days after proof of Disability has been given; or
2. more than three years after proof of Disability must be filed. This will not apply if the law in the area where you live allows a longer period of time to file proof of Disability.

Medical Examinations

We will have the right to have you examined at reasonable intervals by medical specialists of our choice. The examination will be at our expense. Failure to attend a medical examination or cooperate with the medical examiner may be cause for denial or suspension of your benefits.

Incontestability of Coverage

This Plan cannot be declared invalid after it has been in force for 2 years. It can be declared invalid due to non-payment of premium.

No statement of health used by any person to get coverage can be used to declare coverage invalid if the person has been covered under This Plan for 2 years. In order to use a statement of health to deny coverage before the end of 2 years, it must have been signed by the person. A copy of the signed statement must be given to the person or the person's beneficiary.

Assignment

You may not assign your benefits. This means that you may not give or transfer your benefits to anyone else.

Workers' Compensation

This Plan is not in lieu of, and does not affect, any requirement for coverage by Workers' Compensation Insurance or any government mandated temporary disability income benefits law.

SPECIAL SERVICES

RETURN TO WORK PROGRAM

Goal of Rehabilitation

The goal of MetLife is to focus on Employees' **abilities**, instead of disabilities. This "abilities" philosophy is the foundation of our Return to Work Program. By focusing on what Employees **can do** versus what they can't, we can assist you in returning to work sooner than expected.

Incentives For Returning To Work

Your disability plan is designed to provide clear advantages and financial incentives for returning to work either full-time or part-time, while still receiving a Disability benefit. In addition to financial incentives, there may be personal benefits resulting from returning to work. Many Employees experience higher self-esteem and the personal satisfaction of being self-sufficient and productive once again. If it is determined that you are capable but you do not participate in the Return to Work Program, your Disability benefits may cease.

Vocational Rehabilitation Services

As a covered Employee you are automatically eligible to participate in our Return to Work Program. The Program focus is vocational rehabilitation, which means identifying the necessary training and therapy that can help you return to work. In many cases, this means helping you return to your former occupation, although rehabilitation can also lead to a new occupation which is better suited to your condition and makes the most of your abilities.

There is no additional cost to you for the services we provide, and they are tailored to meet your individual needs. These services include, but are not limited to, the following:

1. Vocational Analyses

Assessment and counseling to help determine how your skills and abilities can be applied to a new or a modified job with your Employer.

2. Labor Market Surveys

Studies to find jobs available in your locale that would utilize your abilities and skills.

3. Retraining Programs

Programs to facilitate return to your previous job, or to train you for a new job.

4. On-Site Job Analyses

Analyses to determine what modifications may be made to maximize your employment opportunities.

5. Job Modifications/Accommodations

Changes in your job or accommodations to help you perform the previous job or a similar vocation, as required of your Employer under the Americans With Disabilities Act (ADA).

6. Training in Job Seeking Skills

Special training to identify abilities, set goals, develop resumes, polish interviewing techniques, and provide other career search assistance.

Rehabilitation Staff

The Case Management Specialist handling your claim will begin the rehabilitation process. You may be referred to our professional Rehabilitation staff that includes Registered Nurses and vocational rehabilitation coordinators. Registered Nurses might address how your medical condition impacts your ability to return to work. Vocational rehabilitation coordinators will focus on identifying how your abilities can be best applied to either your previous job or a new job.

These rehabilitation specialists will contact you personally. They will coordinate their activities with your medical carrier and/or attending physician for a broad understanding of your diagnosis, prognosis, and expected return to work date.

Rehabilitation Vendor Specialists

In many situations, the services of independent vocational rehabilitation specialists may be utilized. Services are obtained at no additional cost to you; MetLife pays for all vendor services. Selecting a rehabilitation vendor is based on:

1. Attending physician's evaluation and recommendations;
2. Your individual vocational needs; and
3. Vendor's credentials, specialty, reputation, and experience.

When working with vendors, you and your Doctor still maintain control and direction of the case.

VERMONT CIVIL UNION CERTIFICATE RIDER

Group Policy No.: TM 05579023-G

Policyholder: Knoxville's Community Development Corporation

Effective Date: January 01, 2012

Your certificate (including any riders attached to your certificate) is changed as follows:

Terms that mean or refer to a marital relationship, or that may be construed to mean or refer to a marital relationship, such as "marriage," "spouse," "husband," "wife," "dependent," "next of kin," "relative," "beneficiary," "survivor," "immediate family" and any other such terms include the relationship created by a Civil Union established according to Vermont law.

Terms that mean or refer to the inception or dissolution of a marriage, such as "date of marriage," "divorce decree," "termination of marriage" and any other such terms include the inception or dissolution of a Civil Union established according to Vermont law.

Terms that mean or refer to family relationships arising from a marriage, such as "family," "immediate family," "dependent," "children," "next of kin," "relative," "beneficiary," "survivor" and any other such terms include family relationships created by a Civil Union established according to Vermont law.

"Dependent" means a spouse, a party to a Civil Union established according to Vermont law, and a child or children (natural, step-child, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a Civil Union established according to Vermont law.

"Child" means a child (natural, stepchild, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a Civil Union established according to Vermont law.

"Civil Union" means a civil union established pursuant to Act 91 of the 2000 Vermont Legislative Session, entitled "Act Relating to Civil Unions".

All references in this rider to Civil Unions are limited to Civil Unions in which the parties are residents of Vermont.

Any person who meets the definition of "dependent" under this rider for purposes of dependent insurance, is required to meet all other applicable eligibility and enrollment requirements in order to qualify for such insurance.

If dependent insurance for a spouse and/or child is not provided under your certificate, such insurance is not added by virtue of this rider.

This rider does not limit any definitions or terms included in your certificate. It broadens definitions and terms only to the extent required by Vermont law.

This rider is subject to the terms and provisions of your certificate and is to be attached to and made a part of such certificate.

DISCLOSURE:

Vermont law grants parties to a Civil Union the same benefits, protections and responsibilities that flow from marriage under state law. However, some or all of the benefits, protections and responsibilities related to life and health insurance that are available to married persons under federal law may not be available to parties to a Civil Union. For example, a federal law, the Employee Retirement Income Security Act of 1974 known as "ERISA", controls the employer/employee relationship with regard to determining eligibility for enrollment in private employer benefit plans. Because of ERISA, Act 91 does not state requirements pertaining to a private employer's enrollment of a party to a Civil Union in an ERISA employee benefit plan. However, governmental employers (not federal government) are required to provide life and health benefits to the dependents of a party to a Civil Union if the public employer provides such benefits to dependents of married persons. Federal law also controls group health insurance continuation rights under "COBRA" for employers with 20 or more employees as well as the Internal Revenue Code treatment of insurance premiums. As a result, parties to a Civil Union and their families may or may not have access to certain benefits under this rider and the certificate to which it is attached that derive from federal law. You are advised to seek expert advice to determine your rights under this rider and the certificate to which it is attached.
