

#### Addendum

1. The Board Meeting date is actually 3/12/18, not 3/19/18
2. Programming of the system is to be included
3. Add a wall mount rack to house equipment
4. FVPD will provide electrical service for new equipment
5. New room blender should be provisioned and moved to a wall mount box next to the door and out of the cage
6. Wireless lavalier mics are not brand specific, we just want the best system for performers to use while on stage from a sound and reliability standpoint
7. Installation can be completed in March
