**Addendum 01  
February 17, 2022  
IFB 22-B0033  
Storage Building and Concrete Pad**

The purpose of this Addendum 01 to IFB 22-B0033 for Storage Building and Concrete Pad, dated February 8, 2022, is to list the key points of discussion from the mandatory pre-bid site visit.

- The City will remove the existing shed and fence. The City will remove the tree only if it is necessary.
- There is a 3-inch underground water line. In addition, the nearby light pole is to remain. Contractor will be responsible to obtain a line locator from Santee Cooper.
- A concrete truck can be driven on the existing sidewalk, up to the start of the baseball field. Concrete will have to be shuttled in from that point.
- The storage building will have a manual coiling roll-up door. Insulation will be in the roof only. The roof will have screw-down fasteners.
- Staging areas will be very limited. The City will provide barricades as needed.
- Weekend work may be approved by the project manager, provided that there are no events occurring in the area.
- The City will make water, power, and restrooms available to the Contractor.
- Additional questions are due no later than close of business on Wednesday, March 2, 2022. Questions may be submitted via e-mail to [asowers@cityofmyrtlebeach.com](mailto:asowers@cityofmyrtlebeach.com). All questions received by the deadline will be answered via addendum.
- Sealed bids are due in the Purchasing Office no later than 2:00PM (local time) on Tuesday, March 8, 2022. No electronic submissions will be accepted. The City of Myrtle Beach is not responsible for late or misdirected mail.
- The mandatory pre-bid site visit sign-in sheet is attached and is hereby made part of this addendum.

Please send in your bid in a sealed envelope to the address below:

City of Myrtle Beach  
3231 Mr. Joe White Avenue
