1) QUESTION: Will there be a staging area at the school?

ANSWER: Here is the response from the School - *It will be fine to use the parking lot for staging as long as it does not interfere with post or pre planning. Teachers will be off for the summer starting 5/30/21. Teachers will return for the new school year on July 28th. We would ask that they keep the gates locked during non-working hours, as we have had several problems in the past with people breaking into schools over the summer. I am ok with them hooking their lock into ours until the project is complete.*

All other terms and conditions in ITB 22-25-009 remain unchanged.

Effingham County reserves the right to reject any and all proposals, to waive any technicalities or irregularities and to award the offer based upon the most responsive, responsible submission.
