

City of Havelock,
2024 Flooring Replacement at the Tourist and Event Center
201 Tourist Center Drive
Addendum 1
April 22, 2024

Questions Received

1. What will be the color of the cove that is reinstalled within the A&B Main Hall?

The color is to remain the same as the color of the existing cove.

2. When a time frame for installation is decided upon what will be the working hours per day?

Monday thru Friday 8:00am to 5:00pm. Any work outside of these hours has to be scheduled with a representative of the City of Havelock.

3. If any portion of the paint is damaged during the removal of the existing cove will the contractor be responsible for touching up the paint?

Yes, the color will also have to be matched to the color of the existing wall before touching up the paint.

4. Can materials and tools be stored at the TEC?

The contractor will be responsible for supplying storage for materials and tools, any appropriate permits that are needed for a storage facility will also be the responsibility of the contractor.
