

**BID 4803, Serving Lines**  
**Amendment 1**

This amendment makes the following changes:

1. The bid opening date has been extended to January 4, 2017 at 2:30 PM.
2. A 100% Performance Bond or an irrevocable letter of credit in favor of Anderson County Government at a federally insured financial institution will be required. This must be provided by the awarded vendor before a purchase order is issued.
3. It is hereby changed that the water supply for Clinton Middle School is already in place and will not need to be run from the kitchen.
4. For Clinton Middle, It is hereby clarified that the existing power poles will be removed by the School Maintenance Department and the new pole will be provided by the Manufacturer. The Manufacturer will provide receptacles in the power poles to match equipment requirements. The power poles will have removable access panels. The connections to the receptacles will be provided by the vendor's subcontracted electrical/plumbing vendor. Transferring the electrical hook-ups will be coordinated between the vendor and the School Maintenance Department/vendor contractor. Receptacles will be 208 volt single phase. It will be the awarded vendor's ultimate responsibility to co-ordinate with the manufacturer to insure that all electrical and plumbing provided by vendor's contractor matches the equipment provided and delivered by the manufacturer, based on electrical power sources available at the Clinton Middle School site.
5. The fill faucets on the hot well units for Clinton Middle School are hereby relocated to the other side. The other side is the side of the hot wells nearest the cashier stands. Vendor will provide hose at each fill faucet, and a rubber hose for equipment drains.
6. The hot wells for Clinton Middle School are hereby corrected to be 208 single phase with 50-amp breaker.
7. Briceville Elementary's service line is the opposite of the drawing. If you are facing the serving line as a student, the hot wells are on right, cold well in middle, and cashier on the left.
