**Addendum #02
IFB 24-B0021
November 7, 2023
Train Depot, Box Car and Caboose Cleaning**

The purpose of this Addendum #02 to IFB 24-B0021 for Train Depot, Box Car and Caboose Cleaning dated November 20, 2023, is to answer questions from qualified bidders that were present at the mandatory Pre-Bid meeting.

- **Will we be required to remove all litter from the grounds, including the parking lot?**
No, the parking lot is not included. However, the sidewalks, back deck and adjacent to the building are to be cleaned.
- **Is there an on-site dumpster we can use, or are we responsible for taking trash off-site for disposal?**
Yes, there is an on-site dumpster the cleaning company can use located near the back deck.
- **Page 26 states that we must provide SDS sheets for any cleaning chemicals we use. Since you purchase all the chemicals, do you already have an SDS Book on site or do we need to provide one? Also, can we add to your SDS Book if we chose to bring other chemicals to clean with?**
The City has an SDS Book on site. You may add SDS sheets to our book for any other chemicals required for cleaning.
- **Do we need to get additional chemical cleaning agents approved by the City prior to using?**
Only the cleaning agents used on the floors need to be approved by the City. Any other chemical needed to complete the cleaning should be appropriate for their intended use.

Sealed bids are due no later than Monday, November 13, 2023 at 2:00 p.m. (local time). No electronic submissions will be accepted. The City is not responsible for late or misdirected mail.

Please send in your sealed bid to the address listed below:
