ADDENDUM NO. 1

Arlington County ITB No. 22-DES-ITB-364 for 12th Street South Complete Streets (CC16) and Transitway Extension to Pentagon City (MA13) is amended as follows:

1. Revised Price Schedule

Attachment A – Price Schedule is hereby replaced in its entirety with the attached **Revised Price Sheet**. Bid response must be on **Attachment A – Revised Price Sheet** to be considered.

The following are answers to the questions received in response to the above referenced ITB:

- 1. Question: In reference to Master Item #02600-C3-00060, Asphalt Concrete, Surface Course (VDOT SM-9.5A) of Project MA13, it appears as though this quantity (25 tons) only reflects the surface mix required in the full depth asphalt locations and does not include the surface tons required in the mill and overlay locations. Please advise.**

Answer: A revised price sheet has been uploaded to vender registry with the revised Surface Course quantity. The new Surface Course quantity on the MA13 project will now include the milling area as well as the full depth area. There has been no changes on the CC16 project.

The balance of the solicitation remains unchanged.
