

## E-Rate Fiscal Year 2017 Category 2 Equipment RFP Q&A

### Round Two- April 7<sup>th</sup>, 2017

We received the following questions for round two:

1. Will you accept bids for equipment other than HP/Aruba?

We will be accepting all bids.

2. What percentage of your network infrastructure is HP/Aruba?

Approximately 97%.

3. Do you require installation services for Section #2 of the RFP?

Yes, we require installation services for Section #2 of the RFP.

4. Will you accept an equipment only bid for Section #2 of the RFP?

We will not accept an equipment only bid for Section #2 of the RFP as we need all wiring done by the winning vendor. Page 9 of the RFP states: "Service: Wiring" so we need the wiring completed by the vendor.
