ADDENDUM #3 TO BID #22-027

BID NUMBER: 22-027

ISSUE DATE: Friday, July 1, 2022

(REVISED) OPENING DATE: Wednesday, July 13, 2022 OPENING TIME: 3:30 PM

Pre-Bid Site Inspection: [Independent – On Own]

PROCUREMENT FOR: Court Construction & Resurfacing

This addendum will amend **Bid #22-027, Court Construction & Resurfacing** originally issued on Wednesday, June 1, 2022. This clarification is being provided to all known and registered correspondents in response to questions received. All addenda and original bid documents are also available online at: www.gtcounty.org, select “Bid Opportunities” from the Quick Links section.

Question #1: I just realized that the light poles are being called out as anchor mounts. Everywhere else is direct burial. Do you want to stick with that?

Response: The County would like the most economical option.

Question #2: Do you want square corners or angled corners on the tennis courts? Stables, East Bay and current SI courts have angles.

Response: The County would like the most economical option.

Question #3: Can we use 3” post for terminals instead of 4”? The 4” is overkill. We’ve used 3” on all the other facilities.

Response: Yes.

Question #4: Can we use 4' fence for the separation fence instead of 5'? Again, that is what is on the other facilities.

Response: Yes.

Question #5: Does the sport court at S. Island get lights? If so, what's the layout?

Response: We did not specify a layout, will depend upon what lighting is used. Is to be recreational level lighting.

There will be a 4th/final addendum issued to answer additional questions received. Therefore, the bid opening date and time will be pushed back one more week. See revised timeline below.
