

**HEADS CREEK RESERVOIR DAM REHABILITATION
ADDENDUM NO. 5
Issued March 22, 2022**

City of Griffin
Solicitation Number: 22-007

Sealed Bids will be received at the City Manager’s Conference Room, 3rd Floor, 100 South Hill Street, Griffin, Georgia 30223 until 2:00 p.m., local time, March 29, 2022.

Receipt of this addendum, and all other addenda, should be acknowledged as part of your Bid (refer to Section 00 40 00 Bid Form). Failure to acknowledge receipt of the addenda may result in rejection of the Bid. This addendum forms a part of the Contract Documents.

The following changes, clarifications, additions, revisions, and/or deletions are hereby made a part of the Contract Documents for the aforementioned Project as fully and completely as if the same were fully set forth therein:

A. GENERAL

1. Environmental Permitting

- i. The Contractor will be the Erosion, Sediment & Pollution Control (ES&PC) Primary Permittee and 24-hour ES&PC Contact for the Project.
- ii. ES&PC BMPs and the Limits of Disturbance and Temporary Cofferdam locations may be adjusted to account for construction means and methods within the guidelines of the Manual for Erosion and Sediment Control.
- iii. The planned jurisdictional impacts on the Project Site include Wetland A (± 0.04 acre) and a segment of Heads Creek (80 liner feet) downstream of the dam as indicated on the Contract Documents.
- iv. ES&PC modifications shall minimize additional jurisdictional impacts and may require additional BMPs and/or permitting through Spalding County.
- v. Temporary impacts within the reservoir to account for construction means and methods shall be reestablished to pre-construction conditions.

– End Addendum No. 5 –
