Addendum

Solicitation Name	Soft Washing Services Q2103	Addendum Number	1	Date	01/22/2021
--------------------------	-----------------------------	------------------------	---	-------------	------------

This addendum answers questions raised about this solicitation. Questions are generally verbatim as received. To aid in readability, the questions are in black, the answers are in **bolded blue** and the answers follow immediately below.

Q1	We are interested in bidding on the soft washing services solicitation for Five Points and The Vista, and I was hoping to arrange times to walk the two properties. Would we be able to arrange this for sometimes next week?
	While KCDC does have needs at the two sites listed and intends to get those areas soft washed, KCDC is removing them from the pricing portion of the solicitation document. Provide pricing only for the hourly rate portions that are on Solicitation A. KCDC's main goal with this solicitation is to establish rates for work that arises on an "as needed" basis.
Q2	Can you provide more information as far as the requirements such as square footage of areas that need the soft washing service? I read through the PDF for the bid, but the complete description of work is not listed.
	See the answer to question 1.
