ADDENDUM 1

Submitted Questions

RFP 006-2023

Security/Burglar Alarm System Monitoring and Maintenance

All Contractors, Subcontractors and suppliers are reminded that they shall be familiar with all addenda items

Regarding New Security Alarm Installations:

1. Will the District want to view labor and equipment pricing per each new location on the Price Proposal section on the RFP; or
List one price which will encompass labor and equipment for all the locations on the Price Proposal section on the RFP?

List one price which will encompass labor and equipment for all the locations on the Price Proposal section on the RFP

Regarding Admin Complex, Building A:

2. It was mentioned that the Gym was not alarmed. To be clear, this area will not be part of the new installation, correct?

The Gym will not be part of the new installation

Regarding North Elementary Outreach Portables:

3. During the pre-bid tour, it was noticed that there was a keypad and a motion detector that was visible in this portable. Will this system be replaced and should be included with new installation pricing?

Please price both ways for North Library

4. Is it mandatory for the on-site time be within the hour? This limits the district to only local companies.

RFP states “Contractor shall provide onsite and immediate response (no more than on hour) for maintenance calls by district. Would Alamogordo Public Schools be amendable to this request? ADT Commercial would service Alamogordo out of the El Paso Office and this one-hour constraint would not be feasible to provide services in this timeline.

This is a firm time limit, due to emergency situations we require a short turnaround time

5. Who currently owns the communications equipment?

Alamogordo Public Schools

6. Does APS use the CES -Cooperative Educational Services program?

Yes, APS does utilize CES – Cooperative Educational Services

7. ADT Commercial will monitor your current systems would you provide us with a comprehensive list of all systems are currently installed and being monitored. With the understanding of new systems being installed at the designed locations that you specified.

Motion and intrusion (entry) detection at all of the listed sites in the RFP. Site Maps provided as an attachment to this Addendum.

Also included with this Addendum – Appendix A, B & C, Sample Contract and diagrams of all APS Buildings
