

FALL 2019 RESURFACING

Questions/Answers

Q: This will need to be fast dry paint for all of the thermoplastic on the job due to the curing period required for the thermo.

A: I have created a new line item for fast dry paint. Please see the addendum

Q: Bid Item #8, Prime Coat for Alwyn Blvd, has a decimal instead of a comma.

A: Bid item 8 should be 9,824. Not 9.824

Q: Is the milling quantity on Alwyn Blvd meant to be 9,824 (the same SY as Prime and Surface Course) or is 9,284 correct?

A: The milling quantity should reflect the same as surface course, and prime coat (9,824 SY)
