

ADDENDUM NO. 1

DATE: November 14, 2022

TO: All Potential Bidders

FROM: Suzanne Daws, Procurement Specialist, City of Knoxville

SUBJECT: Addendum No. 1 - Dodge Durango Rear Cargo Weapon Cabinet

BIDS TO BE OPENED: November 22, 2022 at 11:00:00 a.m. (Eastern Time)

This addendum is being published to answer a question submitted by email from a bidder and becomes part of the Contract Document and modifies the original specifications as noted.

Question #1: Are we responsible for picking up the vehicles there and bringing them to our shop, then returning them once boxes are installed? Or will the vehicles be brought here by the City of Knoxville and us only participating in delivery once boxes are installed?

Response: The weapon cabinets are to be installed at our location, 3409 Vice Mayor Jack Sharp Rd. Once all vehicles are ready for the boxes, we will coordinate all of the vehicles on site for the installer.
