**ADDENDUM NO. 1**

Date Issued: April 1, 2021

Bid No.: #2021VIDEO(CL)

Bid Title: 165” Video Wall

Re: West Ridge High School

This addendum is issued to answer questions received as of 3/31/21 for this work and shall be considered as part of the contract subject to all of the general conditions thereof, the same as if attached to and included in the original specifications. All items included in the addendum shall be covered in the Bid as submitted by the Contractor.

1. What type of mounting surface will the proposed video wall be attached? (Block, sheetrock, other). **Block**
2. Will the school be responsible for providing electrical to the wall and the head end? **Yes**
3. Will the school be responsible for all network cabling required? **Yes**
4. How far from the wall will the head end (media player or PC) be? **20 -25 Feet**
5. Is there a data rack for the head end? **Yes**
6. The dimensions of the proposed LCD wall are indicated in the RFP as 165” (assumed to be the required diagonal measurement) and specifies (9) 49” displays. We believe to meet the 165” diagonal measurement, this would require 55” displays. Is it the intent of the RFP to provide approximately 165” diagonal measurement OR to have (9) smaller displays? **165”**

7. The RFP requests a 4K “Controller” with (1) HDMI input with (9) HDMI outputs – is the intent to be able to produce individual content on each of the (9) displays OR to only use the video wall for a single image or piece of content OR a combination? **Combination**
8. Is there a need for remote access to the signage software or will the content always be managed locally? **Always locally**
9. Will the content exceed 3840 x 2160? **Not to my knowledge.**
10. Is this a prevailing wage or union labor project? **No, neither one**
11. Is the school able to receive and store the hardware prior to the installation date? **Yes**
12. What is the proposed installation height of the video wall? (Bottom of displays above finished floor). **We do not have the exact height, if you would like to schedule a day/time to view the site for any measurements contact Evelyn Rafalowski at 423-782-8604 or evelyn.rafalowski@sullivank12.net**
13. Will there be foot traffic immediately in front of the video wall? **Yes**
14. What is the anticipated date of completion for this project? **June 30, 2021**
15. Will the installation be performed during normal business hours? **Yes**
16. Will students be in the area during the installation? **No, this is new construction.**
17. Are there any obstacles such as stairways, elevators, etc., that would impede the installation of the video wall? **No**
18. Is there adequate access for lifts (if needed)? **Yes**
