### ADDENDUM #1

Re: Proposal for City of White House IT Services

This addendum supersedes and supplements all portions of the proposal documents and becomes part of the Contract Documents for the above referenced project. Failure to acknowledge this addendum in the Proposal Form may result in the Proposal being deemed nonresponsive. Where any original item is amended, voided or superseded hereby, the provision of such item not so specifically amended, voided or superseded shall remain in effect.

---

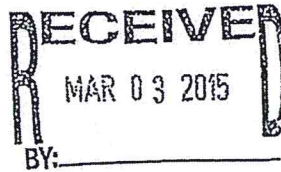

1. *Will the proposal opening be public?* **No**
2. *Is full time, onsite support expected to provide the services for this bid? Or are the positions going to be ad hoc/as needed?* **The services will only be as needed.**
3. *Who is performing the services listed in this bid currently? (Please provide the number of positions, titles and onsite/offsite.)* **Local Government Corporation is currently providing the services. They currently have 4 people located offsite providing hardware and network support.**
4. *What is the current server warranty?* **The server came with a 1 year warranty which expired 12/26/2014. The City has paid for hardware maintenance on it through 6/30/2015 (Please see #6).**
5. Once awarded, the contractor will need to help clean-up the server, and add roaming profiles.
6. Please see the attached list of hardware currently being supported by Local Government until 6/30/2015. The list could change based on the recommendations of the selected network support service provider.
