

Bid #4779 Concrete Pad
Additional Questions and Answers
July 27, 2017

4. I want to confirm that the location of the pad is in the existing facility at 1480 Blockhouse Rd. and also who would be the best person to contact about a site visit.

Answer: That is the correct address. You may contact Geoff Trabalka for a site visit, 865-463-6845, gtrabalka@andersontn.org.

5. Could you please provide a elaboration on the intent of the leveling. Is this to concrete or fill material?

Answer: Leveling will be fill, with possible retaining wall under 10 ft. x 10 ft. dock.
