ADDENDUM

ADDENDUM

ADDENDUM

Addendum #1 on RFP #4622 District Technology, making the following corrections and clarifications.

Question 1: Will there be an E-rate RFP separate from the networking equipment requested on this RFP?

- Response: No... there is no e-rate associated with these items.

Question 2: How much volume is anticipated to be purchased on each item? Will there be more volume on certain items?

- Response: Unknown... everything is based on budget. All Anderson County departments and schools will purchase from this bid.

Question 3: Is this an "all or nothing" bid or can a vendor win specific line items? In other words, if a vendor has lowest price on item 1 but not on the rest of items, can that vendor still be awarded line 1?

- Response: Maybe... the bid will be awarded using the rubric provided. In the past we have award different items to different vendors... but until we judge the responses I don't know. The award will be what we deem as most advantageous to Anderson County.

Question 4: Can the National Joints Power Alliance (NJPA) contract be used to meet the terms and conditions of the RFP?

- Response: I would strongly recommend that you submit a bid proposal that clearly outlines your companies NJPA contract pricing. We will evaluate your bid proposal the same as all proposals submitted.

If you have any questions, please feel free to give me a call at (865) 457-6218.

Sincerely,

A handwritten signature in blue ink, appearing to read "P. Cotham", with a long horizontal flourish extending to the right.
