Re: RFP P002-2k20(2) - Award Notification for Wireless As A Services Announcement

Thank you for your participation and submittal of your proposal for the Alabama A&M University Wireless as a Service RFP (RFP P002-2k20(2)). We appreciate your interest in forming a new business partnership with Alabama A&M University and trust that there will be opportunities in the future for your continued participation.

The University has completed its evaluation process of the offers received and has determined that the RFP will be awarded to **APOGEE.us** based on the proposed quotes and by being determined to be the "Most Responsible bidder" in accordance with the requirements of the solicitation. Therefore, APOGEE.us in response to RFP P002-2k20(2) has been selected for this project. Completion of the award is contingent on the actual contract agreement and signature by both parties.

Should you have any questions or concerns, please contact Damien Clarke, **EMAIL:** Damian.clarke@aamu.edu. or Richard Maxwell, Email: Richard.maxwell@aamu.edu; as well as myself with any questions.

Sincerely,

A handwritten signature in black ink, appearing to read 'J. Robinson', with a long horizontal flourish extending to the right.
