LED Field Lighting

August 27, 2018

The following question has been asked and answered:

1. We have noticed the existing wiring and junction boxes within and on the poles and would like to suggest replacing all wiring from top to bottom of all six (6) poles due to corrosion and exposure to ensure a good connection to the new lights.
 - A. Alternate #2. Please submit a lump sum cost on replacing all existing wiring and junction boxes for all six (6) poles.

Thank you for your continued interest in this project.
