**Addendum 01
July 30, 2019
RFP 20-R0002
Pepper Geddings Pool Refinishing**

The purpose of this Addendum 01 to RFP 20-R0002 for Pepper Geddings Pool Refinishing, dated July 22, 2019, is to list the key points of clarification at the mandatory site visit.

- Proper insurance and City of Myrtle Beach business license will be required before any work can begin.
- Deck tiles are to be replaced with English measurements only (no metric.)
- Thresholds under doorways are to be removed and replaced with same epoxy coatings as used on the pool deck itself.
- The cove tile in the pool area is to be removed and replaced with same epoxy coatings as used on the pool deck itself.
- The drain covers are to be replaced. They are of a non-standard size and will need to be custom-built for a proper fit.
- No drawings of the pool area are available.
- The exterior glass doors will serve as the contractor access point. The pool deck will be cleared of all equipment prior to the start of work.
- The pool at the Mary C. Canty Recreation Center serves as a visual of what the finished product should look like. Visits to the Mary C. Canty Recreation Center pool can be scheduled in advance by calling Doc Moore at 843-918-1475. (He will not answer any questions.)
- Additional measurements and observations of the Pepper Geddings Recreation Center pool can be scheduled in advance by calling Amanda Bowles at 843-918-2286 until August 7, 2019. After that date, appointments can be scheduled in advance by calling Ryan Caputo at 843-918-1476. Neither Amanda nor Ryan will answer any questions.
- All questions should be directed to Ann Sowers via e-mail at asowers@cityofmyrtlebeach.com
- Proposals are due in the Purchasing Office no later than 2:00PM (local time) on Tuesday, August 13, 2019. The City of Myrtle Beach is not responsible for late or misdirected mail. No e-mail submissions will be accepted.
- The mandatory site visit sign-in sheet is attached and is hereby made part of this addendum.
