SUBJECT: Addendum #1 to Quote Request #38901, Mowing / Mulching 190 Acres at Longleaf Pine Preserve SJ52

As a result of inquiries, the following clarifications/changes are provided for your information. Please make all appropriate changes to your quote documents.

- Q1: Would brush cutting heads be acceptable?
A1: The listed heads on the Statement of Work are just examples. We are looking for something that will mow/mulch vegetation that is 4-inch DBH and less.
- Q2: Would it be possible to inspect the property location?
A2: Yes, if there is a need for a site visit, we can schedule a non-mandatory site meeting.
- Q3: Do you have an expected start date after the project is awarded, as the deadline for completion is September 30th?
A3: Start date will be as soon as possible while conditions allow. The deadline for completion will remain September 30, 2023.

NOTE: The Quote Request Due Date remains **3:00 p.m., Thursday, June 22, 2023.**

Please acknowledge receipt of this Addendum on the **Quote Cost Schedule** Form provided in the quote package.
