ADDENDUM THREE

Solicitation: 2018-021

Addendum Release Date: March 12, 2018

Subject: Clarify Scope Question Raised Prior to Q&A Cut-off

Question: "Page 3, last paragraph, indicates new medical housing AND "NEW BED TOWER". We do not see any descriptive information regarding the size, bed count, classification breakdown, number of stories and supervision style (direct or indirect) etc. of the bed tower.

Is a new bed tower included in the scope and if so can you provide associated descriptive information as noted above?"

Answer:

Page 5, the second major bullet that starts with "The FINAL SCOPE..." states that, "The FINAL SCOPE of gross square footage, space needs and requirements, final number of types of beds: cell and dormitory, site location and any proposed renovation of the existing systems and structure, shall be DETERMINED BY THE SELECTED CONSUTANT TEAM upon completion of the requested Phase I Master Plan Document..."
