**I. SCOPE OF WORK (The incorrect Armstrong Tile # was included in the original bid package. This has been corrected, see highlighted section below).**

Fort Mill School District is soliciting BIDS for a contractor soundproof the band room and adjoining office at Pleasant Knoll Middle School. This will alleviate sound carrying thru the existing ceiling into other instructional spaces at this school.

Work to be done after 3:00 pm – Monday – Friday. The District will allow week-end work if the awarded contractor requests; however schedules must be coordinated with the Maintenance Director.

Awarded contractor will be required to remove existing ceiling tile and ceiling grid in these areas (band room and adjoining office). Ceiling grid is to be disposed of by the awarded contractor. Contractor will remove ceiling tiles with as much care as possible. The District will salvage these tiles for re-use in our facilities.

Contractor will replace with a new 2' x 4' (15/16") grid system to facilitate the new ceiling tile.

**Contractor will furnish and install new Armstrong 2' x 4' reveal edge ceiling tile #2825 Calla, with a ceiling attenuation class rating (CAC) of .35 and a noise reduction coefficient rating (NRC) of .85.**

Contractor will also provide and install acoustic wall sound panels that are 2" thick, Gilford fabric around the classroom walls where space permits to provide additional sound protection and enhance the acoustics of the room.

Contractor to provide all necessary equipment, materials and labor to complete the work as specified.

Contractor will remove all trash and debris generated by the project off site at the end of each day.

Contractor will be responsible for repairing or replacing any Fort Mill School District property or fixtures that are damaged by his/her employees.

The District will have all sprinkler heads removed for the install, and then replaced. This will also include any electrical and HVAC related items to facilitate the installation of the new ceiling grid.

General Contractor License with the appropriate levels as required by LLR must be included with your bid package.
