### ADDENDUM #1 TO BID #22-025

BID NUMBER: 22-025

ISSUE DATE: Friday, May 6, 2022

**(REVISED) OPENING DATE: Wednesday, May 18, 2022**

**OPENING TIME: 3:00 PM**

Pre-Bid Site Inspection: [By Prior Appointment Only]

#### **PROCUREMENT FOR: Professional Fleet Repair & Maintenance**

---

This addendum will amend **RFP #22-025, Professional Fleet Repair & Maintenance** originally issued on Friday, April 22, 2022. This clarification is being provided to all known and registered correspondents in response to questions received. All addenda and original bid documents are also available online at: [www.gtcounty.org](http://www.gtcounty.org), select "Bid Opportunities" from the Quick Links section.

---

**Question 1:** With a current contractor in place and a tight RFP Timeline, Is County able to push the new contractor start date later than July 1<sup>st</sup>?

**Response:** Yes, to allow more time for proposals and addendum answers we are pushing the bid opening back one week. See new timeline at the end of this addendum. Since Council meetings go down to once a month meetings in the summer, this will most likely cause us to extend our current contract out a month or two to allow sufficient time for a new contract to be awarded and signed.

---

**Question 2:** If PM services are included in Fixed Annual Target cost, why are proposers having to complete Time and Material pricing sheets including PM'S?

**Response:** This is for departmental budgeting purposes and auditing purposes, additionally to provide a comparison of potential vendors for estimates time and cost for PM.

---

**Question 3:** What is the parts spend for each piece of equipment used in Landfill over past 24 months?

**Response:** This will be answered in Addendum #2, along with additional questions received.

---

**Question 4:** What is the term date for your current Fleet Maintenance contract with the current supplier?

**Response:** The current county contract with existing Fleet Maintenance vendor terminates on June 30, 2022 but will be extended for a month or two if needed until a new contract can be awarded and signed.

---

The County is still working on compiling answers to questions that were received before the inquiry cut-off time. Therefore, the County is extending out the bid date and time to allow completion of responses and allow offerors more time to prepare their proposals. A second addendum will follow.
