Addendum 5

Date: 10/31/22

Addendum 5 Items:

Contractor Questions:

Question 1: Please confirm that the loads shown on the “REQUIRED CAPACITY” chart indicate the total loads per pile cap; or are the loads representing each individual micropile within the pile cap.

Response: As indicated on sheet S3.0, the loads shown are for the pile cap (so total load on the pile group - not per pile).

Mechanical Addenda Items (M):

Specifications:

Item M1:

Refer to specification section 232113.33 “Ground-Loop Heat-Pump Piping” 1.5, E.2 Add g, Withers Geothermal, Columbia, KY.
