## **Addendum 2**

---

**Date:** 10/17/22

### **Addendum 2 Item:**

Digital Data generated by Ayoroa Simmons will be made available for information only for the existing building. The Digital Data available will be a scan of the existing building. To obtain permission to the existing point cloud model, fill out the attached Digital Data “Receiving Party” form, and submit to the addresses listed on the form.

**END OF ADDENDUM 2 NARRATIVE**

**Request for Access to Digital Data  
"3D Point Cloud Data"  
for  
Fayette County Public Schools  
CTE Program BG# 22-167  
100 Midland Ave. Lexington, KY**

Digital Data will be made available for information only and is subject to terms and conditions in AIA® Document C106™ – 2022 Digital Data Licensing Agreement. Data will be viewable using compatible web browser via the cloud-based service hosted on IVION cloud.

**Digital Data "Receiving Party"**

Company Name: \_\_\_\_\_

Name of Authorized Point of Contact (required): \_\_\_\_\_  
(Authorized to sign legal agreements on behalf of Receiving Party)

Point of Contact (if other than named above): \_\_\_\_\_

Address: \_\_\_\_\_
