Michael R. Nunn, AICP  
Director of Planning and Transportation

January 13, 2022

## Addendum #1

### **Extension of Responses to Solicitation of the Service Provider for the Link Transit Fixed Route & Paratransit System**

Due to the recent omicron outbreak as it relates to the COVID-19 pandemic, the City of Burlington will extend this procurement due date to **Friday, January 28, 2022 at 2:00 p.m. Eastern Standard Time.**

Additional clarifications are shown below:

1. Please repeat the price pages for years 2 and 3. Option years will be driven by CPI.
2. This is a variable hourly rate contract only. Use the revenue hours on Page 118 of the RFP.
3. The Maintenance Facility, Spare Vehicles, and Maintenance of City Vehicles should be based off a division of the hourly rate.
4. Paratransit service is based off an hourly rate estimated as shown on Page 118 of the RFP.

Sincerely,

John C. Andoh  
Interim Transit Manager  
City of Burlington
