- Our company is interested in participating in this Bid but unfortunately we missed the non-mandatory Pre-Bid Meeting. Is there already a set date for a Site Visit or each contractor schedules it with the Plant's personnel and/or your office.
- One additional site visit will be offered at 2:30 p.m., Friday, February 5, 2021. Follow the signs to the office (turn right when you enter the gate) and meet outside the door. Staff will show the areas of the plant involved in the project, but cannot answer questions. The Engineer is not available. All questions from both this visit and the pre-bid meeting must be submitted in writing by 2 p.m. Monday, February 8, 2021. Any verbal information provided is not effective unless put in writing via addendum. No other site visits will be accommodated.**
