To: All Bidders/Plan Holders

Re: **Addendum 1**
Public Works Bid No. 2022-003
Digital LED Electronic Message Center Signs

Addendum Number 1 is issued to provide responses to written questions. **The date, time, and location of the BID OPENING remains unchanged.**

1. Question - Can you please advise if a NM Contractor's license number is a mandatory requirement for a bid?
Answer – Yes, an ES1 license is required.
2. Question – Can a Watchfire message board be substituted for Optec/Daktronics units?
Answer – Watchfire is approved as an acceptable equivalent to the specified minimum level of quality.
3. Question – In regards to the NITS on the specification of the message boards. Is 7000 acceptable? Most older boards output 10,000 NITS but newer boards output less.
Answer – 7000 is acceptable.
4. Question – We are a Texas company and are not registered with the Department of Workforce Solutions or have a certificate of Public Works. Does this disqualify us?
Answer – All prime contractors and subcontractors shall be registered with the New Mexico Department of Workforce Solutions and have obtained a certificate of said registration, prior to the date and time bids are due.
5. Question – Where on the website are the drawings? The city website only has the bid documents.
Answer – There are no project drawings. The project requirements are shown in the scope of Work in Section 3 of the bidding documents.

All other provisions of the Contract Documents shall remain unchanged. This addendum is hereby made part of the Contract Documents to the same extent as though contained in the original documents and itemized listings thereof.

Each bidder is required to acknowledge receipt of each addendum in Section 3 of the Bid Proposal. Failure to do so could render the bid non-responsive.

Plan holders: As a courtesy, please fill out the information below and fax this page back to the City of Alamogordo, Attention: Barbara Pyeatt, Purchasing Manager at 575-439-4117 or replying via e-mail to: bpyeatt@ci.alamogordo.nm.us
