

ADDENDUM NO. I

DATE: June 22, 2021
TO: All Potential Proposers
FROM: James McKeehan, Assistant Purchasing Agent, City of Knoxville
SUBJECT: Addendum No. I to RFP - Knoxville Municipal Golf Course Drainage Improvements

PROPOSALS TO BE OPENED: July 7, 2021

This addendum is being published to provide clarification regarding the above referenced ITB. This addendum becomes a part of the contract documents and modifies the original specifications as follows:

Items for Clarification:

1. I noticed that the contractor has to be certified by Golf Course Builders and I am not. Which is why I didn't place a bid the first round. If nobody bids it that is certified by that organization will you still choose a contractor?

Our intention is to find contractors with golf course specific experience. Each proposal will be considered and ranked per the evaluation criteria in the RFP. While the ideal winning contractor will have some kind of certification demonstrating their professional experience with golf course construction and improvement it is not a requirement.
