Request for Bid
ANNUAL CONTRACT FOR GENERATOR MAINTENANCE
Bid Opening: Tuesday, January 13, 2015 at 2:00 p.m. local time
Non-Mandatory Pre-Bid Meeting: Tuesday, December 16, 2014 at 2:00 p.m. local time
ADDENDUM \#2
Dated: January 7, 2015

## Acknowledgment of receipt of this addendum MUST BE SIGNED AND INCLUDED IN YOUR RESPONSE TO THE RFB.

## CLARIFICATION:

Clarification was requested on oil and filter change and the related costs as the Request for Bid package does not indicate whether oil and filter change are part of the bid price. CCWA requires under both Level 1 and Level 2 that any oil and filter change be provided by the Contractor as determined by laboratory analysis and upon CCWA's prior approval, at the prices indicated on the revised Bid Form. Under Level 2 Major inspection, please note the oil and filter change should be done as necessary as determined by analysis test from Level 1 Minor inspection.

Please replace paragraph "b. Engine - Diesel" - on page 4-1.2 of the RFB documents with the following paragraph:
"b. Engine - Diesel - Engine will be observed for unusual combustion noises and the exhaust opacity checked by the Contractor. It is the Contractor's responsibility to recommend tune-ups, injector testing, and related service procedures as necessary. CCWA will send quotes to procure such services. Lube oil will be drawn for analysis, and oil and filter change will be made immediately if necessary after CCWA's approval as determined by laboratory analysis, at the prices stipulated on the revised Bid Form."

A new revised Bid Form has been provided with this Addendum to include a column for "Oil and Filter Change". Please note that a quantity of one (1) service for each generator will be used for bid evaluation purposes only. CCWA does not anticipate oil and filter change on all generators, nor does CCWA guarantee any minimum or maximum amount of oil/filter change service during the contract period.
