Questions and Answers:

1. What are the construction budgets for both projects? We do see the total cost estimates indicated in the assessment reports provided, but would like to know the estimated cost of construction.

The assessments reports do list an estimated cost of construction. This was the information used to develop the referendum.

2. Can you please post a link to the BCSD design guidelines or standards as mentioned in the RFQ – “The school shall be designed according to the District’s 202 and Beyond facility standards.”

See Addendum #1

3. Has any geotechnical testing been performed on the Robert Smalls International Academy site or the Battery Creek HS site?

No.
