	Question Asked AND Answers provided
53	<p>If the listed items in question number 42 (insurance, management, and maintenance costs) are a pass-through, please confirm we are submitting a rate per trip excluding vehicle insurance, management fee, and maintenance cost.</p> <p>No, the rate per trip will include insurance, management fee, and maintenance cost.</p>
54	<p>Please confirm the rate per trip is essentially only for driver cost (variable cost, no fixed cost).</p> <p>The rate per trip will include insurance, management fee, and maintenance cost.</p>
55	<p>Where should we provide cost details on items that will be a pass-through?</p> <p>See the answer above.</p>
56	<p>Does the cost proposal need to be updated to allow bidders to input the cost that will be a pass-through expense? Otherwise, the cost per trip is only part of the total cost of operation and won't be easy to compare between bidders.</p> <p>No, because the rate per trip will include the pass-through expenses.</p>
