Questions and Answers

1.	Will the county provide the ILA for recycling with the municipalities within the county?
	A: See attachments. Proposers should note ILAs establishing the Recycling Franchise Area have
	been in place since 1993 with municipalities in the County., except the Town of Indian River
	Shores, which was executed last in 2023.
	Can the County please confirm if RFID service verification is currently used for residential and
2.	commercial collection? If so, can the County please provide which company is currently used for this service?
	A: Not confirmed. During the current contract Rehrig Vision was utilized by Franchisee. To the knowledge of SWDD staff, no software is currently utilized or accessible by SWDD staff. County has no contract with any company to provide RFID service verification. RFID tags are still on carts and are being utilized by current Franchisee.
3.	If RFID is currently being used, can the County please provide the most recent month's tip/lift data report for all collection services?
	A: Data not readily available.
	Can the County please confirm if there are any open top roll off customers that are currently
4.	under this RFP? If so, can the County please provide the count, size, and frequency of these containers?

	release of the Excel document "Indian River County Service Listing 10.23."
5.	Can the County please confirm that the franchisee will be able to charge a monthly lease and maintenance price for open top containers as well as compactors?
	A: Confirmed. See Tab 4 of IRC RFP2024020 PRICE FORM – Addenda 6 pricing (a) Monthly
	Container and Maintenance Fee. Price proposed shall include both container monthly lease a
	ongoing maintenance.
	On Page 14 of 51 in the RFP, #4 Transition History, it states "Proposer should demonstrate its
	experience with transitioning into providing residential and commercial collection service by
	supplanting another provider. Proposer should provide references, preferably public sector
	customers in the State of Florida, for at least two (2) recent transitions with jurisdictions of simi
6.	size". On the Service Transition Form (Page 31 of the PDF) the directions state, "Proposer shall
о.	complete and submit this form in Tab 5 providing a complete listing of all transitions of which the
	Proposer has been a part, including both entering and existing contractor transitions in the State
	of Florida for the past two (2) years. Should the word "existing" be "exiting"? The Transition
	History mentions supplanting another provider. Should it be just two "entering" transitions as
	mentioned above, or are all (entering and exiting) transitions in the last 2 years required?
	A: First Question – Yes. The word "existing" shall be struck from Page 31 of the RFP and shall
	be replaced with the word "exiting." Second Question – Propose as scoped. Proposer is

	containers and is responsible for invoicing and collecting payment for such disposal costs from the
	Commercial Customer" Can the County please confirm that prices from tab 3 of the pricing form will not include disposal?
	A: See response to question 7 above.
9.	In question 11 of Addendum 6, can the County please remove the Town of Indian Shores from the Amendment language as it reads as though only the recyclables from this Town will be the only area that does not receive the Franchise Fee.
	A: No. See Page 37, Article 21 of Sample Agreement in the RFP package. The first paragraph defines how Franchisee Fees shall be applied to services performed in the Solid Waste Management Area, covering areas other than the Town of Indian River Shores. The second paragraph, amended per the County's response to question 11 of Addendum 6 defines how Franchise Fees shall be applied to services performed in the Town of Indian River
	Shores. Franchise Fees for the Solid Waste Management Area shall be calculated and remitted as a separate check from the Franchise Fees collected for the Town of Indian River Shores. This explains the purpose for both paragraphs and is the intent behind separating the two Franchise Fee descriptions and check remittance instructions.
	Can the County please clarify where within "Addendum 6 Price Form" do we have to fill out the
10.	pricing for commercial carts?
	A: An updated Price Form will be published with Addendum 8 and include a pricing cell for 96-gallon commercial carts.
11.	Does the new 40-page limit for the Technical Proposal mean that we should submit one 40-page Tab 2 with distinct plans for each of the four service options, or is the new page limit 40 pages <i>per</i> service option?
	A: Tab 2 shall consist of one section that includes distinct plans for each of the four service options within the 40-page limit for the whole section.
12.	Can the County please provide the average % of participation for curbside recycling?
	A: No. Current data not available.
13.	The Addendum 6 question 35 stated that requires the printed version of the Financial Proposal Form for both hard copies and PDF versions. Are those the same forms that goes in Tab 5? Please clarify.
	A: Propose as scoped. Tab 4 shall include the printed version (hard copy for hard copy submittals and PDF electronic print for electronic submittal) of the Financial Proposal Form, as amended. Additionally, the completed Excel version shall be submitted electronically.
14.	Does the proposer submit its pricing with the 6% franchise fee included?

	Franchise Fee applicable to all pricing except those of Residential Recyclables Collection Service
15.	Can the franchisee stop service on a single family or multifamily subscription customer for nonpayment?
	A: Yes. Sample Agreement Article 22.5 shall be amended per the additions below in red:
	22.5.1 Billing of subscription Residential Collection Service shall be the sole responsibility of Franchisee. Invoicing shall be quarterly in advance of services rendered. Franchise may discontinue service to a subscription Residential Solid Waste Customer and remove associated Roll Carts assigned to that Customer upon non-payment for two (2) consecutive months. Franchisee shall notify the Contract Manager of intention to discontinue service due to non-payment. Should Roll Cart(s) be removed, and the Residential Customer reinstate service, the Franchisee may charge up to twenty-five (\$25) for a redelivery fee.
	22.5.4 Billing of Commercial Collection Service shall be the sole responsibility of Franchisee. Invoicing shall be monthly in advance of services rendered, with the exception of roll-off pull and disposal charges which shall be billed in arrears. Franchisee may discontinue service to a Commercial Customer upon non-payment for two (2) consecutive months. Franchisee shall notify Contract Manager of intention to discontinue service due to non-payment.
16.	What are the current commercial and industrial rates?
