BID NO. ITB 20-031

ADDENDUM No. 1

Project: ASPHALT MILLING- VARIOUS ROADWAYS

---

This addendum is being issued to provide new information to the solicitation and to address questions received.

**Revisions/Updates to the solicitation:**

1. The solicitation has been revised to allow for a General Contractor, Certified Underground Utilities and Excavation Contractor or other contractor as allowed Section 489 Florida Statutes to bid as a prime for this work.
2. Article 4 of the agreement has been deleted. Certified as-builts by professional surveyor is not required for the work in this solicitation to be awarded.
3. Contractor must be FDOT prequalified in any related work class to roadway work.

**Questions and Answers:**

- 1.) Please confirm State Certified Underground Utilities and Excavation Contractor is approved to bid as prime on 20-031 Highlands County for Asphalt Milling - Various Roadways?  
**Answer:** Yes, they can bid as a Prime. See revision to the solicitation item 1 above.
- 2.) 2.) The documents mention a General Contractors License is required. Is a General Contractors License required and if not what kind of Contractors License is required?  
**Answer:** A General Contractors License is not required. See item 1 above.
- 3.) How many mobilizations will be required to complete the work or can the work be started and continue until completed?  
**Answer:** The roadway work will not be completed in succession and will require separate mobilizations. The milling operation will be coordinated with the Highlands County asphalt resurfacing operations. Cost for mobilization should be included with the per square yard price.
