This addendum answers questions raised about this solicitation. To aid in readability, the questions are in black, the answers are in **bolded blue**, and the answers follow immediately below.

Q1	Are there substitutes for an actual bid bond?	<b>Yes. KCDC will also consider 5% cash escrow, cashier’s check or letter of credit.</b>
Q2	Is the pollution liability insurance required?	<b>No. Strike the pollution requirement from the specification.</b>
Q3	Concerning paragraph 39f, explain about the flag pole light.	<b>One light is to be moved from Love Towers to Cagle Terrace.</b>
Q4	Describe storage availability at the sites.	<b>None inside but all four sites have room for the successful vendor to place a trailer or pod.</b>
Q5	Who own the removed materials?	<b>The vendor.</b>
Q6	It appears that the quantity for Isabella Towers (in the chart) does not include all of the items.	<b>That is correct. See the corrected chart below.</b>
Q7	Who provides the necessary anchors?	<b>The vendor.</b>
Q8	Is the flagpole bracket at Isabella different from the other brackets?	<b>Yes and the vendor will supply it.</b>

Q10	May the vendor work at all four sites at the same time?	<b>Yes.</b>
Q11	Can the vendor work on Saturdays?	<b>If the property managers concur then yes.</b>
