

## MEMORANDUM

**TO:** RFP 23-023  
**FROM:** Aaron Flure, Purchasing  
**DATE:** May 03, 2023  
**RE:** Addendum -RFP 23-023-04

### I. Clarification of Addenda

**Due to a clerical error, the Addenda numbering is not consistent with Addenda documentation between issuance from ABQ Reprographics and VendorRegistry.com. Addenda 1-3 may be different numbering but together, all three have the same content documentation.**

**No further action required by Potential Offerors, simply acknowledge the addenda that was issued, and the total addenda will be the same. There are currently four (4) Addenda which includes this notification.**

**\*Offerors must acknowledge this amendment when submitting proposal.**
