

City of Havelock
Slocum Park – Phase IV Improvements
Addendum 3
October 17, 2017

1. *With regard to the pre-engineering bath facility, is an “or equal” substitute acceptable?*
 - **Yes, however the burden is on the bidder to demonstrate that the substitute is acceptable.**

2. *What is the minimum number of bids required to be able to award?*
 - **A minimum of 3 bids is required.**

3. *Are Payment Bond, Bid Bond, and Performance Bonds required?*
 - **Yes, all 3 are required.**

4. *Is BOC approval required for award?*
 - **The City of Havelock BOC will make the award.**

5. *Is the Tap Fee to be paid by contractor?*
 - **Because this is a previously developed area, no tap fees will be applied.**

6. *Are the City of Havelock Permit fees waived?*
 - **Yes, Permit Fees are waived.**

7. *Are Impact Fee required?*
 - **Because this is a previously developed area, no impact fees will be applied.**

8. *What is the method of RFI response?*
 - **All forthcoming addendums will be issued to vendors in the same manner as the initial bid invitation, via Vendor Registry or email.**

9. *Are there alternate bid options or single base bid?*
 - **The only alternate bid item shown on the drawings is the 3-point tensile shade structure. All other items should be part of the base bid and this structure should be an add-alternate.**

Thank you for your continued interest in our project.
