

The following questions have been submitted for clarification. Please note the answers are in red.

Are there any drawings of the existing building that are available for review? **To our knowledge, there are no drawings.**

Do you have an idea of what you are looking for with the new addition, amplifying information? More kennel space, cat rooms, offices, etc.? **Any amplifying information and scope would be extremely helpful to prepare for the walk through. Please find attached a "wish list" from the ACCAB. Be advised that this is a list of suggestions for the new shelter and are subject to budget limitations.**

What is the construction budget? **Total project budget is \$1,185,000**

What is the square footage of the existing facility to be renovated? **Approximately 4500 square feet.**

What is the anticipated square footage of the expansion? **What can be afforded within budget.**
